Opechesah Band  
Request for Information

The above Band have requested copies of the documents pertaining to a B.C. Hydro easement, Department of Fisheries (fish ladder), and the E&N Railway Right-of-Way on Klehkoot I.R.

I could provide the permit for the B.C. Hydro easement, but have no record of the Fisheries agreement.

The E&N Railroad was transferred by Dominion Order in Council September 27, 1930, and there is no record of negotiations on the final settlement on our files.

Could you please assist in obtaining whatever information there may be on these last two matters?
