

A number line starting at $10x$ and ending at $32x$. The line is divided into 12 equal segments by 13 tick marks. Labels are placed above and below the line: $10x$, $12x$, $14x$, $16x$, $18x$, $20x$, $22x$, $24x$, $26x$, $28x$, $30x$, $32x$. An arrow points to the tick mark between $22x$ and $24x$, which represents $23x$.
