

ANNUAL INCOME

EXCEEDS

FOUR MILLIONS OF DOLLARS.

A Safe Investment.

The instances are many, within the experience of every Life Insurance Company, in which the proceeds of a Policy have saved from poverty the survivors of those who have thus made provision for their wants in times of prosperity and health. A wife may insure the life of her husband for her own benefit, and should she survive him, the amount of the insurance will be payable to her free from any claims against the estate; and in case of the death of the wife before that of the husband, the amount of the insurance may be made payable to her children.

THIS COMPANY DECLARES ANNUAL CASH DIVIDENDS.

which are available in payment of each annual premium. All the insured in this company receive dividends which can be used in part payment of the second, and each subsequent Annual Premium thereafter; or the dividend may be allowed to accumulate, and subsequently used in whole or in part in the payment of Premiums. The business of the Company being PURELY MUTUAL, each member pays only the average cost of insurance, all surplus being annually returned to the Policy holders. (Companies having a Stock Capital usually retain a large portion for the Stockholders.) The Dividends paid to Policy holders exceed **\$3,000,000.**

ENDOWMENT ASSURANCE POLICIES.

These Policies are coming into general request. As a sure and profitable investment for one's declining years, they deserve the attention of all. The sum secured by an ordinary life policy becomes available upon the death of the assured; on the Endowment plan the amount is received by the assured himself upon his attaining a specified age, while full provision is made for death occurring prior thereto.

THE NON-FORFEITURE PLAN.

This company originated and introduced the valuable feature known as THE NON-FORFEITURE PLAN, which is rapidly superseding the old system of life-long payments, and has revolutionized the system of Life Insurance in the United States, and which has been adopted (generally in a less favorable form) by all Life Companies. A party, by this table, after the second year,

CANNOT FORFEIT ANY PART

Of what has been paid in.
