**English Solidity**  
Combined with  
**Canadian Sagacity**

The above two national characteristics are well represented in that splendid money-making investment, the **Calgary and Edmonton Land Co., Limited.**

It is a well-known fact that we in Canada do not possess an overplus of money wherewith to prosecute and take advantage of our undoubted natural resources, either in land or mineral. While this is the case, Canadians are shrewd enough to go to a quarter where money abounds. Hence the formation a few years ago of the Calgary and Edmonton Land Company, Ltd., capitalized at £241,500, or in Canadian money value \$1,207,555.00, with head office in London (Eng.), the financial centre of the world, and possessing the following well-known and highly successful business and professional men guiding and controlling the company's affairs:—

**C. D. ROS<sup>r</sup>, M. P., Chairman;**  
**ERNEST CHAPLIN, GEO. GRINNELL-MILNE,**  
all of London, Eng.

**E. B. OSLER, Toronto, and JAMES RO S, Montreal.**  
The Company deals in Valuable Saleable Land in Calgary, Edmonton, Winnipeg, and other parts of the great North-west.

Their Operations—representing sales made—for the year 1904, resulted in a net profit of \$203,405.00 as compared with \$150,870.00 for the year 1903.

This puts the Paying Quality of the investment in a nutshell, and beyond question. It is interesting to note that the Company have Paid Two Interim Dividends during the present year, one in May at the rate of 60 cents, and one in August of 50 cents per share, while a further bonus at the rate of 60 cents per share has been declared in reduction of stock payable later in the year.

The Calgary and Edmonton Land Company still possess 366-431.30 acres of land for disposal and sale at advantageous prices, together with some very valuable mineral rights, so that an investment in a company conditioned as above is one that even the most conservative investor should readily take into consideration.

The shares of the Calgary and Edmonton Land Company Limited, are dealt in on the London, (Eng.) Stock Exchange, and we are open to purchase at Market Prices either for Cash or on a Margin of 20 per cent., in lots of Twenty shares and upwards.

The present price of the shares is . . . . . \$12.50  
Fifty shares would cost for cash. . . . . \$625  
or on a margin. . . . . \$129

For further particulars and copy of 1904 Report, apply to
