

Sarnia Fence Prices

Advance March 1st, 1917

Direct from Factory to Farm

Buy Now and Save Money on Your Spring Requirements

Owing to the continually advancing cost of raw material, we are compelled to advance the price on all styles of SARNIA FENCE on March 1st next. But in accordance with our established policy, we are notifying our customers previous to the advance, and thereby give them a chance to take advantage of the present low prices. MAIL US YOUR ORDER TO-DAY, enclosing Post Office order, check or draft, and we will ship your fence at your convenience until April 15th.

Guarantee

We guarantee our fence to be made from the best galvanized hard steel wire both, stay, line wire and knot, and to be the most perfectly woven fence on the market, and of full Government gauge No. 9 wire.

Quality

Sarnia Fence is the best known fence in the Dominion of Canada to-day, which is due largely to the fact that it has lived up to every claim we have made for it. From the first we have used a most rigid system of inspection that insures our customers of getting the most perfect fence possible.

We buy our wire on the open market of the world, and our business is of such a tremendous volume that we are in a position to demand the best. Our wire is galvanized to the highest possible standard, and is all full Government gauge No. 9 wire.

Notice

These prices are freight prepaid to any station in Old Ontario on shipments in lots of 200 pounds or over.

Remit direct to The Sarnia Fence Co., Ltd., Sarnia, Ont., by Post Office order, money order, or bank draft.

We want your order whether for one bale or a carload.

Send Your Order To-day.

REMEMBER, WE ARE NOT UNLOADING OLD, RUSTY STOCK

Every bale of SARNIA FENCE is made from new wire, and is not exposed to the weather from the time the wire leaves the mills until the fence is delivered at your station.

You can readily see that a fence which has been stored outside for three or four years will last a comparatively shorter time than a new fence. When buying fence be sure that you get a new fence, and not an old, discolored fence.

For prices delivered in the Maritime Provinces and New Ontario add 3c. per rod to the prices offered below. 25c. advance for gates and stretchers, and 10c. advance for staples, and brace wire.

Thousands of Dollars

Have been saved each year by the Farmers of Canada through the Direct from Factory to Farm Policy of The Sarnia Fence Co., Ltd. You will remember the high prices the fence combine forced you to pay before Sarnia Fence came on the market. At that time wire cost less than half the present market price. To-day our prices are lower than the previous high prices in spite of the doubled cost of raw material.
