THE LOVELIEST SILK REMNANTS YOU EVER SAW. ALMOST GIVEN AWAY.

Enough heavy, rich, elegant Silk Squares to make 2 large soft cushions for only 15c. All good big pieces, some so large that you will have to cut them up. How can we do it? Why, because we picked up a great bargain at a European Silk Mill. They had an immense stock of extra fine samples of their very best silks cut in large pieces for their travellers to take orders with from wholesale houses, and offered us the lot at a price which enabled us to give you this great bargain. We closed the deal and now we are giving our lady friends the benefit. Think of a package of these beautiful, large pieces, all of the newest patterns, stripes, checks, flowers, rich heavy quality, enough to make two large cushions, or drapes, tides, and a hundred other lovely things to beautify your home, for only 15c. In making this kind of fancy work a great point is to have a variety of patterns, is it not? Well, in the whole of this immense stock there are no two pieces alike. With each package we send free a booklet showing over 100 fancy designs for ornamenting the square, which will add a hundredfold to the beauty of your work. Don't miss this chance. We shall never be able to buy pieces like these again, and so will not be able to offer them to you. **Head what ladies may who have bought our Silk Squares!** Corval P.O., Ont., "I was very much pleased with the Silk Remnants.
