THE STORY OF A SUCCESSFUL MAN

He Found His Lost Health in Dodd's Kidney Pills.

Leading Business Man of Welland Gives His Experience with the Great Canadian Kidney Remedy.

Welland, Ont., Dec. 25.—(Special).—There is no better known or more highly-respected man in Welland than Mr. J. J. Yokom. Born and brought up in the neighboring township of Crowland, by his own industry and sterling honesty he has grown to be one of Welland's leading merchants. Consequently when Mr. Yokom comes out with a statement that he was cured of a serious illness by Dodd's Kidney Pills, everybody knows it must be so.

"For a year or more I had Kidney Trouble in all its worst symptoms," says Mr. Yokom. "My head was bad, I had no appetite, and I lost weight fast. At times I was entirely incapacitated. I doctored with a physician of vast experience, but got no good results.

"I became despondent of ever being well again, when by good luck I chanced to try Dodd's Kidney Pills, and from the first they seemed to suit my case. Five boxes cured me completely."
