

N. M. RUTHSTEIN
The Steel Shoe Man—He has made a million feet happy.

To Dealers—

Get in line with the leading merchants of Canada and supply your customers with my Steel Shoes. Save them the bother and delay of ordering direct—as they do when dealers disappoint them. A man who knows Steel Shoes will have no other kind—he knows their extra-comfort, extra-health and economy features. Write for terms today to Blachford, Davies & Co., Ltd., 60-62 Front St., S. Toronto, Canada's Leading Shoe Jobbers.

Do it now and give your customers a square deal on the work shoe question.

Join the Great Army of 500,000 Who Wear Ruthstein's Steel Shoes—For Comfort, Health and a Saving of \$10 to \$20

HALF a million people have bought my Steel Shoes. Every pair was sent out on Free Examination. Every pair *could* have been returned. But the half million people recognized *at once* what my Steel Shoes meant. Today, not one of them would do without my Steel Shoes. They now know perfect foot comfort in all kinds of work—in all kinds of weather. They know what it means to be free from wet feet, and all resulting sickness, such as colds, rheumatism, neuralgia, sore throat, and even the dreaded pneumonia. They know what it means to be free from corns, bunions, callouses, and sore, aching, tired feet. And they know **real shoe economy**. For the half million Steel Shoe wearers will each save \$10 to \$20 shoe money on every pair of my shoes. Steel Shoes outlast 5 to 6 pairs of leather shoes. Don't you want to join this great army of health-savers and money-savers? Don't you want to do your work without your feet bothering you? Don't you want to save about \$10 of your shoe money every year? Then wear Steel Shoes, like the half-million that are now doing it!

No More Wet or Cold Feet

There is nothing in the world like my Steel Shoes. Nothing can even compare with them. The soles are stamped out of a thin, rust-resisting, seamless, special process steel. This steel extends from heel to toe and up around the edges. There are no cracks or seams. The soles are studded with adjustable steel rivets which protect them from wear and give a sure, firm footing. When rivets wear out they can easily be replaced by yourself. Fifty rivets cost 30 cents and they will keep your shoes in good repair for two more years. The uppers are made of the very best quality of pliable, water-proof leather, fastened forever to the steel bottoms. Water or cold cannot penetrate my Steel Shoes. Thus they keep your feet always dry and comfortable! And Steel Shoes have inner soles of springy hair-cushion which gives elasticity to tread and absorb jar when you walk on frozen ground. But comfort isn't all. You

Save Doctor Bills Prevent Rheumatism Colds, Neuralgia Corns, Bunions, etc.

Do you know the real reason why you get so tired standing on your feet all day tramping around? It's a hundred to one that you have broken down the instep of your leather shoes, making you stand flat footed. There's where the fatigue comes in. Thousands of people have their shoes made to order putting in steel shanks to prevent this. Every pair of steel shoes that I make prevents it. But that isn't all. Steel shoes protect your health in many ways. They are easy to wear and dry as powder. Cool in the summer, warm in the winter and dry all the year round.

Outwear 3 to 6 Pairs of the Best All-Leather Shoes

Note the quality of the uppers. See the turned-up steel soles—and how everlastingly they are fastened to the uppers. Note the adjustable rivets which can be replaced at a trifling cost when worn down. Examine every part carefully. Satisfy yourself that Steel Shoes are the only kind of work shoes fit to wear. Nearly every progressive, wide-awake dealer in Canada sells and recommends Ruthstein's Steel Shoes. Go to your dealer. If he can't supply you, order direct from me. I'll send you a pair—the size and style you want at these prices—and I'll send them out on free examination. Made in all sizes from 5 to 12, for boys and men. Six inches high—\$3.00. Six inches high with extra grade of leather—\$3.50. Nine inches high—\$5.00. Twelve inches high—\$6.00. Sixteen inches high—\$7.00—the best shoe on the market regardless of price. Boys' Steel Shoes—sizes 1 to 4. Six inches high, Boys' Steel Shoes—\$2.50 per pair. Nine inches high, Boys' Steel Shoes, black or tan—\$3.50 per pair. In ordering, give correct size. Boys' Steel Shoes will please the boy and save you money and worry.

Start Wearing Them At Once Ask your dealer, but if he can't supply you, order right from this advertisement if you are in a hurry. Be sure to state **size of shoe you wear**. You take no risk. Money back if not exactly as I say or if you are not satisfied when you see my Steel Shoes. See your dealer at once—or order from this advertisement. Anyway send for my book, "The Sole of Steel," it is free. Address me personally.

GOSSIP.

WORTH KNOWING.

Canadian-bred or imported bulls are offered for sale at the right kind of prices by Kyle Bros., Ayr., Ont. They also have for disposal, female Shorthorns of all ages, and a few good Yorkshire pigs. Look up their advertisement and get in touch with these breeders.

First-class heavy draft horses, for which the highest prices are paid, are wanted for the West, as indicated in the advertisement on another page, by J. H. Brooks, of Vancouver, B. C., whose representative in London, Ont., is Wm. Wallace, who is staying at the Grigg House, and invites owners of first-class heavy horses to give him a call.

H. J. Davis, Woodstock, Ont., writes: I have recently sold to Morden Bros., of Ridgeway, a promising one-year-old Shorthorn bull, from Imp. Butterfly Girl. This young bull is a dark roan, of good character, sired by Westward Ho (imp.), a Missie-bred bull, from the herd of Wm. Duthie, Collynie. Have a half-dozen still left, from the same sire, reds and roans, that will please intending purchasers.

BRITISH COLUMBIA AGRICULTURAL FAIRS, 1911.

The following list of Agricultural Associations of British Columbia, with dates of fairs to be held under their auspices during 1911, has been sent us by the Provincial Department of Agriculture:

First Circuit.—Islands, Sept. 6; Victoria, Sept. 12 to 16; Nanaimo, Sept. 20 and 21; Shawnigan, Sept. 21; Cowichan, Sept. 22 and 23; Comox, Sept. 26 and 27; N. and S. Saanich, Sept. 29 and 30; Alberni, Oct. 4.

Second Circuit.—Kent, Sept. 12 and 13; Mission, Sept. 13 and 14; Coquitlam, Sept. 15; Maple Ridge, Sept. 18 and 19; Chilliwack, Sept. 19 to 21.

Third Circuit.—Peachland, Aug. 29 and 30; Nicola, Sept. 7; Revelstoke, Sept. 11 and 12; Kamloops, Sept. 14 and 15; Vernon, Sept. 19 to 21; Armstrong, Sept. 21 and 22; Kelowna, Sept. 26 and 27; Salmon Arm, Sept. 28 and 29; Summerland, Oct. 17 and 18.

Fourth Circuit.—Vancouver, Aug. 31 to Sept. 9; North Vancouver, Sept. 8 and 9; Central Park, Sept. 14 and 15; Delta (Ladner), Sept. 22 and 23; Surrey, Sept. 26; Langley, Sept. 27; Richmond (Eburne), Sept. 28.

Fifth Circuit.—Cranbrook, Sept. 19 and 20; Nelson, Sept. 26 to 28; Grand Forks, Sept. 29 and 30; Kaslo, Oct. 2 and 3.

QUESTIONS AND ANSWERS. Veterinary.

RESULT OF WOUND.

Mare got kicked on hind leg. The seat of injury is enlarged and very hard, and the leg is swollen down to the fetlock.

Ans.—Get a liniment made of 4 drams each of iodine of potassium and iodine, and 4 ounces each of alcohol and glycerine, and rub a little well into the enlarged parts once daily. Give daily exercise. It is probable a hard enlargement will remain at the seat of injury.

OPERATION FOR OBSTRUCTION OF TEAT.

In your issue of January 12th, you mention probable complications arising from an operation for obstruction in the teat. What complications are liable to result?

Ans.—When operations are carelessly performed, or performed with instruments not thoroughly sterilized, or even when the operation is performed in the most skillful manner, there may follow acute inflammation of the quarter and total stoppage of the milk duct during the healing process. This is more liable to occur when the obstruction is high up, but is not likely to prove fatal. On account of the danger, none but a professional man with the proper instruments should attempt to operate.

TRADE TOPIC.

Pratt's Animal Regulator is a well-known stock food which has been used by many stockmen with encouraging results. See advertisement elsewhere in this issue.
