THE THIN CANNOT GAIN IN WEIGHT if they are troubled with dyspepsia, because the food is not converted into the due proportion of nourishing blood which alone can furnish the elements of flesh. But there is no reason, when this wearing, attenuating disease is conquered by Northrop & Lyman's Vegetable Discovery, why there should not be an appreciable gain in weight, which indeed is usually the case. It is a peerless remedy also for Constipation, Liver Complaint, Kidney troubles, and roots out all impurities from the blood. Sold by Harkness & Co., Druggists, Dundas St.

CATHOLIC CHRISTIANITY and MODERN UNBELLEF. By the Right Rev. J. D. Ricards, D. D., Bishop of Retimo and Vicar Apostolic of the Eastern Vicariate of the Cape Colony. 12mo, cloth, net, \$1.00. Postage il cents extra.

The object of this work is to state the difficulties urged by Unbellef against Catholic Christianity plainly and even forcibly. The answers are directed chiefly to common sense, and are supported by plain matter-of-fact demonstrations, carefully selected on account of their simplicity, from hosts of others more suited to the schools. The whole plan of the work is conceived on the same principles. If at times the author is led into the path of controversy, he leaves the well-beaten track as soon as pessible, satisfying himself with noting in characters that cannot be mistaken by ordinary intelligence the essential marks of true Catholic teaching.
