## Dineens' Hat Sale

The advantages of ready money are obvious. We pay cash for all our stock and are thereby able to sell a better article for the same money than our competitors can. When we receive cash for a hat we are always able to supply a better article than when we have to wait for the money.

We are now inviting inspection and challenging honest competition. We can to-day sell for cash either a Silk or Felt Hat about 50 cents lower than any other house in the trade.

Call and test our statements.

"It holds the premier place."

Sir Morell Mackenzie refused above offer to visit a patient in this country, but writes:

I have watched the effects of mineral waters for a considerable period, and regard them as extremely valuable in obstinate catarrhal affections and diseases of the throat and air passages, both local and general. Also, I frequently find them of great service in the case of singers and public speakers.
