

Live Stock Markets.

Toronto, July 12.—There were 64 cars of fresh arrivals came in this morning, and all told about 75 loads of stuff were on sale including 1,000 sheep and lambs, over 800 hogs, and about 50 calves. There was little quotable change in the market, and what with the partial holiday, depressing cables from abroad, general poor quality of the stuff, and absence of some of the regular buyers, trade dragged considerably, and the market was scarcely worth reporting.

Export cattle—There was very little buying before noon, as prices could not be arranged; 4 to 4½ was offered, with 4½ as an outside figure. In face of the prospective condition of the British markets and the secondary quality of much of the export cattle here, the prices tendered were all shippers could safely give. Later on many deals were effected at figures which neither buyers nor sellers seemed able to remember; but it was admitted it would be uncommon good cattle that went over 4½ per lb. Several loads were unsold.

Butchers' cattle—Prices to-day were firm for good cattle, and 4 to 4½ was freely paid for choice picked lots. For good cattle 4 was the best price, and several loads of grassers sold at from 8 to 8½. A couple of fine steers, weighing 1,050 lbs, were reported as sold at \$1 60 per cwt; then again, a lot of 9 steers weighing close on 1,050 lbs, sold at \$2 80 per cwt; a lot of 10 averaging 950 lbs, sold at \$3 60 per cwt; 20 averaging 960 lbs, sold at 3c and 7¢ back; a load averaging 900 lbs, sold at \$2 70 per cwt; and a lot of poor stuff sold at 2c. Plenty were unsold.

Milkers—There were very few in; no demand; selling slowly at from \$22 to \$40 each.

Stockers—None here and none were wanted.

Sheep and lambs — Lambs were scarce and firmer at from \$2 50 to \$3.50 each; and all wanted. Sheep steady at from 3 to 3½ per lb.

Calves—Prices steady for choice veal, which is wanted at from \$4 50 to \$7 each. Common veals are scarcely saleable.

Hogs—Prices to-day were firmer, and \$4 75 to \$4 80 was paid for choice, with 10c more offered next week; thick, fat and light, weighed off cars, fetch \$4 50 per cwt; but stores are still not wanted at 4c. Mr. Harris is prepared to take up to 3,000 next week, "at right prices for the right kind."

East Buffalo, July 12.—There were 65 head of cattle on sale; the market ruled with a good demand, and all were sold at full strong opening price of the week. Hogs—On sale, 3,750 head; the market ruled with a good demand, and prices were about 5 to 10c higher; mixed packers brought \$5 35 to \$5 40; mediums, heavy and choice Yorkers, \$5 30 to \$5.45; pigs \$5.30 to \$5.35; roughs, \$4.50 to \$4.90. Sheep and lambs—Receipts, 4,250 head; the market ruled active and higher, there being a good outside order demand; best wethers brought \$4.25 to \$4.75; fair to good mixed sheep, \$2.75 to \$3.50; common to fair, \$2.25 to \$3.50; top yearlings, \$3.75 to \$4.35; fair to good, \$3.25 to \$3.50; spring lambs, \$3.50 to \$5.85.

An exchange says:—"Let any victim of the liquor habit eat ripe tomatoes sprinkled with salt, consuming as many as possible. Let the eating of tomatoes and salt to excess be continued for several days and the tomato gormandizer will find liquor offensive, undrinkable or if drunk, ungrateful to the stomach—so much that it will be thrown up. This is the cheapest gold cure we have known of, and it is said to be effective."

Big Profits ON Small Investments

Returning prosperity will make many rich, but nowhere can they make so much within a short time as by successful speculation in Grain, Provisions and Stock.

\$10.00 FOR EACH DOLLAR INVESTED can be made by our Systematic Plan of Speculation.

originated by us. All successful speculators operate on a regular system.

It is a well known fact that there are thousands of men in all parts of the United States, who by a systematic trading through Chicago brokers, make large amounts every year, ranging from a few thousand dollars for the man who invests a hundred or two hundred dollars up to \$50,000 or more by those who invest a few thousand.

It is also a fact that those who make the largest profits from comparatively small investments on this plan are persons who live away from Chicago and invest through brokers who thoroughly understand systematic trading.

Our plan does not risk the whole amount invested on any trade, but covers both sides, so that whether the market rises or falls it brings a steady profit that piles up enormously in a short time.

WRITE FOR CONVINCING PROOFS, also our Manual on successful speculation and our Daily Market Report, full of money making pointers. ALL FREE. Our Manual explains margin trading fully. Highest references in regard to our standing and success.
