**PEDLAR'S
"GEORGE"
SHINGLES**

THE roof of your barn is the first part to feel the effects of wear and weather. Make your roof wear-proof and you add many years of better service to your whole barn. Pedlar's "George" Shingles not only offer the safest protection against weather, wind, fire and lightning, but the way they lock together, tight on all four sides, makes them practically indestructible. Impossible for wind, rain and dampness to get beneath shingles and start to rot and decay your roof. For a permanent barn roof, Pedlarize now. Write for "The Right Roof" Booklet *yyw*
