

Thomas A. Edison
Wants To See An
Amberola In YOUR
Home This Christmas!

Last year many thousands of families enjoyed an Amberola on Christmas as the result of Mr. Edison's expressed wish to bring music to every home in the land. This Christmas will witness more thousands of Edison's Amberola Phonographs in happy homes on Christmas morning, because you again have the opportunity to own an Amberola practically on your own terms! Just think what this means!

EDISON'S NEW DIAMOND AMBEROLA

is the world's greatest phonograph value—perfected in every detail by the inventor of the phonograph! The Amberola has proved its superiority over high-priced "talking machines" and commercial phonographs in numerous public tests! And you can own this wonderful phonograph—you and your family can enjoy its exquisite music this Christmas right in your home—even though you have felt you could not yet afford a phonograph!

Remember, as Mr. Edison's authorized dealer, we are bound to carry out the spirit of his wish—

it is up to us to make it possible for you to own an Amberola right away! We are ready and willing to do so. We know the Christmas season is a drain on your resources—at this time you cannot make any big expenditure. Well, you won't have to! You can have an Amberola practically on your own terms! Let us know just how much or how little you can pay now, and what future payments will be most convenient and easy for you—and we will work out a satisfactory arrangement. We insist on only one condition—

Act Immediately! Come to our store or write to us at once—every minute is valuable. Otherwise our stock of Amberolas may be exhausted and we may have to disappoint you. If you want an Amberola in your home Christmas morning, call or write today—tomorrow—please!

CLIFORD HOTEL IN DANGER.

The Mansion House hotel had a close call from being consumed by fire on Thursday morning of last week. Mr. John Kuespe the occupant, on awak-

ening about half past five, saw considerable smoke upstairs. Rushing downstairs he discovered fire in the sample room. He immediately gave the alarm, and all the family and guests were roused up. The fire had

started in the floor beside the hot air register and was just briefly starting to make its way up the open space of the partition of the room. A few minutes more and the whole block would have been doomed. Prompt action of all and the fire was soon extinguished and the damage light. The cause of the fire is supposed to be ignition from a smouldering cigar or cigarette stub, which may have been thrown at a spittoon near the hot air register. There is too much heedlessness with burning cigar and cigarette stubs. Those casting them aside should take particular notice that there is no fire left when they are thrown down.—Express.

A sad story comes from Kimberly, South Africa where a young man of Boheppriza near Glasgow, has died. Some time ago he went to Scotland for his fiancée, and they were to be married soon after her arrival. Unfortunately about that time his eyesight began to trouble him, and by the time his fiancée reached South Africa he was totally blind. He suddenly became unconscious, and was removed to the hospital where he remained for nine weeks without recovering consciousness, and passed away in his sleep. His fiancée devotedly nursed him through his last illness.

WHO PROFITS MOST.

"A bushel of wheat at the farm sell on the average to-day for \$2. Made into 75 per cent. flour a bushel of wheat (45 lbs. of flour) retails at the rate of \$6.75 per hundred, or \$2.04. Made into 59 loaves of 10-cent bread a bushel of wheat retails as bread for \$5.90. Made into breakfast food, 205 packages weighing 4 ounces each at 45 cents each, a bushel of wheat (less than 14 per cent. for moisture, or 51.6 pounds net) retails at the grocery store at \$30.90. What breakfast food served at 20 cents per individual dish (less 5 cents for cream) sells at a first class hotel or restaurant at \$216.30 for a bushel of wheat. The farmer receives \$2.00 per bushel.—Exchange.

Jewels baked in a loaf of bread were smuggled out of Russia by a member of the Russian royal family who escaped from the Bolsheviks recently. The jewels, which were very valuable to family heirlooms, were taken to a London jewel dealer to be sold. They were mostly diamonds in their settings.

The Farnia rugby team has been expelled from the O.R.F.U. Association last week. This action was taken because of rowdy tactics of spectators and players in a recent game.

ing Anne Lee Nong, a 12-year-old Chinese girl from her marriage with David Lee Nong, Binghamton, N. Y., restaurateur. Nong was alleged to have paid \$700 for the girl to her foster-mother, Mrs. Marie Chin Wore. The girl on the witness stand, testified that after she had been sold to Nong, her mother "put up" her hair and garbed her in such a manner that she appeared much older than her years. She first escaped from Nong a week after the marriage, she said, but was captured by her foster-mother and returned. She found refuge in New York later, with a Chinatown missionary.
