

# No Other Spreader Gives You This!

Only on the Model 8 NEW IDEA Spreader can be found the unequalled NEW IDEA DISTRIBUTER—the original of all "wide-spreads." The shape of the blades and their position on the shaft give the smooth, wide spread of finely pulverized manure that is characteristic of NEW IDEA work.

We have selected this spreader for you because of this and other exclusive and patented features that are found only on Model 8 NEW IDEA Spreader. Let us show you how these features will save you time and money.

"You tell 'em! I found that out my first day at sea."

**That's the Kind They Want**  
Druggist—Yes, Miss, you'll find most ladies like this lipstick.  
The Girl—You couldn't—ah—tell me the kind that men like, could you?

The little group of country folk had been watching the band play for several minutes. They had never seen a trombone before, and the player of that instrument received particular interest. Finally, one farmhand nudged another with his elbow.  
"Come on," he said, "it's a fake. He don't swaller it every time."

"Mother?"  
"Yes, dear."  
"Tell me a fairy story before I go to bed, will you?"  
"Wait till your father comes home dear, and he'll tell us both one."

Tom—Well, Jim, I can tell you are a married man all right. No more holes in your socks.  
Jim—No, sir. One of the first things my wife taught me was how to darn them.

Sandy was fishing. Donald, passing, asked: "How are the fish to-day, Sandy?"  
"I dinna ken," answered Sandy.  
"I've dropped them a line, but so far they've made no reply."

A romantic young man of Rangoon, with a lute by the light of the moon, sang, "I'll die for you, love."  
When a voice from above said, "You will if you don't shut up soon."

Salesman (at shirt counter)—Looking for something in a shirt, madam?  
Irate Woman—Yes, indeed! About 165 pounds, and he's kept me waiting here for nearly an hour.

A certain bishop was being patronized by a millionaire.  
"I never go to church," the millionaire said, "Perhaps you have noticed that, Bishop?"  
"Yes, I have noticed it," said the

He had choked her—  
She was dead there could be no doubt about that. He had listened to her dying gasp.  
Now she was cold—cold as the hand of death.  
Yet in his anger he was not convinced. Furiouly he kicked her. To his amazement she gasped, sputtered and began to hum softly.  
"Just a little patience is all it takes John," remarked his wife from the rear seat.

## THE RULE OF LIFE

(By Walt Mason)  
A mountain of books have been written, to show us the path we should tread, and we have been laden with precepts, by sages both living and dead; and, most of the wisdom is useless, for all that a man needs to do, is just to be gentle and true, lad, just to be gentle and true. The name of the teachers is legion who'd point out the road to success; they'd have us believe that the journey, unguided is full of distress; the secret, however simple, and easy to carry in mind; it's just to be honest and kind, lad, just to be honest and kind. I don't care a cent for the theories and creeds that the wise men expound, for all the words that are thundered, are merely a wind and a sound; the logic of life is so simple, it leaves all the dogmas behind; it's just—to be honest and kind, lad, just to be honest and kind.

## WALLY—I GOT A RARE OLD GIFT FOR CHRISTMAS—ONE OF CAESAR'S COINS.

Dick—That's nothing. I got some of Adam's chewing gum.

An Ontario mining authority, in warning the public to exercise care in purchasing mining stocks, says that a lot of people buy on what they call a tip, much as they do in betting on horse races. His advice is for investors to study the market and know something about the mines. This is sound sense, but it is to be feared that the buying on "tips" will continue, unless human nature undergoes some very radical change
