DR. HALSEY'S
GUM-COATED
FOREST PILLS.

(*A Sarsaparilla preparation of unexampled efficacy.*)

These Pills are prepared from the best Sarsaparilla, combined with other Vegetable preparations of the highest Medicinal virtue. They are warranted not to contain any Mercury or Mineral whatever. They purge without griping, nauseating or debility; can be taken at any time without hindrance from business, change of diet, or danger of taking cold. They neither have the taste or smell of medicine, and are five times more effectual in the cure of disease than any Pills in use.

But a short time has elapsed since these great and good Pills were first made known to the public, yet thousands have already experienced their good effects. Invalids given over by their Physicians as incurable have found relief, and been restored to sound and vigorous health by their use.

TO FATHERS OF FAMILIES.

Bile and Dyspepsia are the diseases to which more of the ills and deaths in families than all other causes of ills are put together. In the latter part of Summer and Autumn, when the atmosphere everywhere is poisoned from miasma, arising from stagnant pools and decayed vegetation, whole families are taken down by Malignant Fevers, Fever and Ague, and other dangerous disorders, all proceeding from a bilious and foul state of the stomach. No family can be so ignorant as not to know the great danger existing from this circumstance; parent would be guilty of murder the

DEATH OF THEIR OWN CHILDREN!!!

Yet how many of our children and adults die every year through neglect of parents to attend to the easily symptoms of bile and foul stomach.

Superfluity of bile may always be known by some unfavorable symptom which it produces, such as sick stomach, headache, loss of appetite, bitter taste in the mouth, yellow tint of the eyes, languor, costiveness, or other symptoms of a similar nature. Almost every person at this season of the year is bilious, for bad food of some kind is sure to bring on some disease or disorder, frequently terminating in death. A single 25 cent box of Dr. Halsey's Gum-coated Forest Pills are sufficient to keep a whole family from bilious attacks and sickness from six months to a year. A single dose, from 2 to 3 at three mild and excellent Pills for a child, from 3 to 4 for an adult, and from 5 to 6 for a grown person, carry off all stagnant and corrupted matter from the stomach and bowels, curing and preventing all manner of bilious attacks and many other disorders.

Health Before Riches.

The warm season is now at hand, and with the oppressive heat of Summer, the value of Pleasant Water becomes more appreciated. The superiority of this celebrated Water above all other Medicinal Waters, is universally acknowledged. Indeed it may be said to have superseded all others. As all know who have once tasted it, it differs essentially from every other Water, in preserving a solidity or thickness when in the mouth, which is met with in no other spring, and which makes all other Waters appear poor and insipid in comparison with it. It has also the property of varying its character with the temperature; when warm, it is more saline, when cold, it is less so. Several facts connected with its sanitary properties, may be stated here, and as their truth is unimpeachable, they are worth a volume of general statements:—

1st. There is now at Plantagenet an elderly woman, who had been for six years deprived of the use of her limbs, and who, by the use of the Water, *has partially recovered.* This is a fact well known in the neighborhood. The lady herself resides with Mr. Ganeon, of Plantagenet, and will, if necessary, verify this extraordinary case.

2nd. Here is another instance: Mr. Mollet, of St. Ann, told Captain Barnum, of the Steamer *Lady*, that he had severely injured his hand with a cable, and, by the advice of some friends, he wrapped his hand in a bandage well saturated with Plantagenet Water, and in three days it was quite well.

3rd. Captain Dole, of Petite Nation, had a barrel of Pork which had become tainted. He resolved, as an experiment, to take it out of the old brine, and wash it with Plantagenet Water. After doing so several times, it became as sweet as ever.

So well are these facts known at Plantagenet, and so esteemed is the Water there, that no family is without it.

But it has been said, there are plenty of other saline springs, and why should this be better than the others? Why it should be so, it is not easy to say; but there is the fact—it is better. Whoever once uses the Plantagenet Water, will never use any other. It is true that attempts have been made to pull up others, and that deception even has been practised by manufacturing Water; but what has been the result? Who has been long deceived? The fact is notorious. At the present moment, every one uses Plantagenet Water who can get it, and no one who can get it will use any other.

As evidence of this, it is only necessary to refer to the names of the eminent Physicians, and public and private individuals, who have certified to the virtue of the Plantagenet Waters, and who regard it as a boon to the country.

In conclusion, let it be borne in mind, that it is not simply as a saline drink that these Waters are beneficial, but because they have an oily, fattening property, unknown to any Waters besides. There is, in fact, but one Plantagenet spring, and the more that is known, the higher its reputation, and the more all others sink into insignificance beside it.

The following are a few of the names of the parties referred to above, all of whom speak from actual experience and use of the Plantagenet Waters:—

Doctors W. Nelson, W. Fraser, G. W. Campbell, A. Hall, A. McCulloch, J. L. McDonnell, J. G. Bibaud, E. H. Trudel, H. Mount, J. L. Leprohon, S. C. Sewell, F. Badgley,—Peltier, J. E. Cadorte, L. F. Tavernier, G. D. Gibb, P. E. Picault, James Grant, L. H. Masson, S. B. Schmidt, W. F. Smith, F. Monroe, T. Lolmer, W. Wright, L. Boyer; the Hon. A. N. Morin; the Hon. Peter McGill; the Hon. Jos. Masson; the Papineau; C. Wilson, Esq., Mayor; E. Fabre, Esq., Ex-Mayor;—Bellemare, Esq., Mayor of Quebec; J. Renaud, Esq.; Louis Boyer, Esq.; E. M. Leprohon, Esq.; J. Delle, N.
