By Courier Leased Wire. New York, April 16.—The British tank steamer Narragansett, a ship of the company, it was said, has been torpedoed and sunk somewhere off the Irish coast, according to word brought here to-day by officers of a British ship.

The Narragansett was owned by the Anglo-American Oil Company, represented here by E. A. Eames. At the office of the company, it was said, no word of the vessel had been received, although several reports that she had met with disaster had reached here from unofficial sources.

The Narragansett was last reported when she left here for a British port on March 5. She was built in 1903 at Greenock, Scotland, was 512 feet long and could carry 11,000 tons of oil.

On Thursday evening last, sixty ladies and Sir Knights from Hamilton paid a visit to Brant Hive and Redemption Tent, coming up on a special car. The following program was carried out:

Chairman's address, Dr. Wiley; piano solo, W. Lynn; recitation, Master L. Butty; address, Rev. Mr. Stout; recitation, Miss Smith; address by Deputy Merritt, Hamilton; song, Geo. Dowell; address, M. F. Muir, K.C.; recitation, Miss Smith. Talk on the growth of the Order, by H. Nicholson, of Millgrove. After a dainty lunch, the rest of the evening was spent in cards and dancing, and a game of carpet ball between Hamilton and Brantford, with Brantford winning by three points.

SENATE ON WAR REVENUE BILL Passage of Measure is Expected by To-morrow Night

Lead Senate By Courier Leased Wire. s1Co 1? Washington, April 16.—The \$7,000,000,000 war revenue bill, which has passed the House, was approved to-day by the Senate finance committee and will be taken up in the Senate to-morrow for passage.

Washington, April 16.—The seven billion dollar war revenue bill was in the hands of the Senate to-day and its passage by to-morrow evening is fully expected.

The Senate finance committee met to consider the measure as it came from the House, which passed it Saturday and expected to report the measure immediately after the Senate convened to-day. It seemed probable that it would lie over until to-morrow and then be the exclusive business of the Senate until it is passed.

TANK STEAMER IS TORPEDOED Oil Vessel Narragansett Sunk Off Irish Coast WAS AMONG LARGEST Ships of Its Kind That Has Ever Been Built

By Courier Leased Wire. Petrograd, April 16.—On various parts of the Russian western front yesterday, says the official statement, issued by the Russian War Dept., "groups of Teuton soldiers, carrying flags, attempted to approach the Russian positions. On coming under the Russian fire, the troops fled back to their trenches. Russian scouts yesterday blew up a bridge crossing the River Styx, 13 miles northwest of Brody."

Civilian and Soldier Scrap

Quite an exciting fracas took place on Sunday morning on Dalhousie St. in which a civilian emerged badly injured, after a few minutes' conflict with some soldiers. The man in military uniform, who resides on the Burford Road, was driving down Dalhousie Street, and when nearing the New American Hotel, he struck his horse with the whip. The animal immediately broke into a trot and crashed into a young lady who was standing with her bicycle near the curb, conversing with a soldier. The wheel was dashed to the ground and demolished, and the young lady herself narrowly escaped serious injury. Her companion, evidently thinking the accident an intentional one, took the driver of the vehicle to task, and in a few minutes several soldiers were demonstrating their ability in physical training on Mr. Mott, who was badly shaken up, and taken into the American hotel for treatment.
