The many friends in Athens of Miss Rachael Thompson, a student at the A. H. S., learn with regret that she is seriously ill at her home in Escott. During the Christmas vacation, Miss Thompson was attacked with pneumonia, but has suffered a relapse and her condition is reported to be again serious.

Last week a Kingston insurance agent kissed a married woman (not his wife). He was convicted of the offence before a magistrate and fined \$5 and costs. A reporter of the Kingston News is authority for the statement that he got off easy.

Reception Service.

On Sabbath evening last a reception service was held in the Methodist church at the close of the regular service, when thirty-five probationers were received into full communion.

A series of sermons on baptism had been delivered by the pastor as a preparatory instruction, and on the evening of the reception he spoke on the desirability of all believers uniting with some branch of the christian church.

At the conclusion of the solemn service, the pastor welcomed the new members into the church by extending to them the right hand of fellowship. Owing to the unfavorable weather, quite a large number of probationers were unable to be present.

Miss N. Landon of North Augusta visited friends in Athens this week.

Rev. G. S. White, a minister of the Methodist church, well known to many in this section, is said by the Napanee Star to be a cousin of General White, the gallant defender of Ladysmith.

Respecting Candlemas Day, the old saying is, "If it's fair and clear, there'll be two winters in a year." Friday last was very bright, so if Bruin failed to see his shadow it was no fault of the weather.

Despatches from Iowa state that a young man of that state who neither smoked, chewed, drank, swore or used slang is missing. Perhaps the angels came down and stole him.

The municipal councils of Rear Yonge and Escott and the village of Athens meet on the 19th inst. to further consider the proposition relative to securing the abolition of the toll-gates on the "Farmersville Plank Road."

In response to the very large petition in favor of Robt Mackie, now confined in Kingston penitentiary for complicity in the famous Napanee bank robbery, notification has been given that His Excellency sees no reason why clemency should be extended to Mackie.

Frontenac Co. Council want a change in the mode of summoning jurors. It costs the county \$530 per year, whereas the work, the council believes, can be effectually done for \$100. The co-operation of other county councils to secure the needed legislation will be sought.

Recorder: Two young men of Athens, who have attractions in Brockville, were in town yesterday paying their respects, and started home last night. But the storm had conspired against them, and after struggling through the drifts for a time, they returned to town and remained till this morning.

Truly the profession (!) of teaching is looking down. A young man, holding a second-class certificate, taught all last year in the vicinity of Port Elgin for \$175. As the days began to approach when the "sun goeth down early," the magnanimous trio of trustees gave him a formal notice, that unless he could see his way clear to accept \$150 per annum, and in addition, assume the responsibilities of caretaker and janitor as well, he could look for new worlds to conquer in 1900.

A Prompt Settlement.

A pleasing instance of the prompt manner in which the executive of the Independent Order of Foresters deals with claims for mortuary benefits was brought to our notice this week. The funeral of the late Herbert Hull took place on the 24th ult. On the evening of the following day the claim was duly proved in the local court of Foresters and next morning was forwarded to the Supreme Secretary at Toronto.

Village Council.

The municipal council of Athens met in regular monthly session on Monday evening, Feb. 5th, the reeve, clerk and the members of the council being present. Minutes of last meeting were read, approved and signed by the reeve and clerk.

Clerk read a circular from the reeve and clerk of the village of Glenoe, Ont., asking the co-operation of Athens village council in petitioning the Ontario Legislature to grant an amendment to the municipal act to give to village municipalities the same powers as are now enjoyed by town and cities, with reference to providing that the costs of granolithic sidewalks may be met by assessing the cost of same partly on the properties adjoining the proposed sidewalks and partly from the regular taxes of the whole municipality.

On motion, the reeve and clerk were authorized to give sufficient notice that the west end of Wilts street, from lot 12 to George street, is being used for storing stone for village purposes and that this council will not be responsible for any damage resulting from such stone being piled thereon.

On motion, the bill of the G. W. Telegraph Co. amounting to 70c, for notification of the death of Herbert Hull, was ordered to be paid.

An orler has been issued by the Southern Railway, applicable in South Carolina and Georgia, prohibiting the use of cigarettes by employees, and forbidding the employment in future of any one who smokes cigarettes. The order applies to all depots, and it is stated that it will be extended to other divisions.

Miss Helen F. Clark, of the Evangelical Band, addressing the Methodist preachers' meeting in New-York on "The Religious Condition of New York," said that as a heathen city there are 1,300,000 persons without any religious affiliation at all, which number is 100,000 more than the population of Tokio, the second largest heathen city in the world.
