Deafness Cannot be Cured
by local applications, as they cannot
reach the diseased portion of the ear.
There is only one way to cure deaf-
ness and that is by constitutional re-
medies. Deafness is caused by an in-
flamed condition of the mucous lin-
ing of the Eustachian Tube. When
this tube is inflamed you have a rum-
bling sound or imperfect hearing, and
when it is entirely closed, Deafness
is the result, and unless the inflama-
tion can be taken out and this tube
restored to its normal condition hear-
ing will be destroyed forever; nine
cases out of ten are caused by
catarrh, which is nothing but an in-
flamed condition of the mucous sur-
faces.
We will give one hundred dollars
for any case of deafness (caused by
catarrh) that cannot be cured by

tive, and my Book on either Dyspep-

Troubles of the Stomach, Heart or
Kidneys are merely symptoms of a
deeper ailment. Don't make the
common error of treating symptoms
only. Symptom treatment is treating
the wrong ailment, and not the
cause. Weak Stomach nerves—the
inside nerves—mean Stomach weak-
ness, always. And the Heart and
Kidneys, as well, have their controlling
or inside nerves. Weaken these
nerves and you inevitably have weak
organs. Here is where Dr.
Shoop's Restorative has made its
name. No other remedy even claims
to treat the "inside" nerves. Also
for bloating, biliousness, bad breath
or complexion, use Dr. Shoop's Re-
storative. Write to me today for a

KIDNEY The kidneys form
the basis of the system, carrying
off all poisons from the blood.

The kidneys are often affected and
cause serious disease when least sus-
pected. When the back aches, specks
float before the eyes, the urine contains
a brick-dust sediment, or is thick and
stringy, scanty, highly colored, in fact
when there is anything wrong with the
small of the back or the urinary organs
then the kidneys are affected.
If you are troubled with your kidneys
will cure you. Mrs. Frank Foss, Wood-
side, N.B., writes: "I was a great
sufferer with backache for over a year,
and could get nothing to relieve me until
I took Dr. Doan's Kidney
Pills, and now I do not feel any pain
whatever and can eat and sleep well;
something I could not do before."

**Not one person in a thousand knows that
Fruit is really a wonderful medicine?**

Not rare fruits—but the common, everyday fruits that you
can buy in the fruit shops.
APPLES act directly on the kidneys—increase the flow
of urine. ORANGES are excellent for the skin. FIGS and
PRUNES are splendid bowel laxatives and liver tonics.
There are two great difficulties in curing yourself of Kidney
and Bladder Troubles—Rheumatism—Constipation—Skin
Eruptions, etc. by simply eating fresh fruit. First, the minute
quantity of medicinal principle that you would get by eating a
normal amount of fresh fruit would be insufficient to do any real
good—second, eating excessive quantities of fruit would upset
the stomach, on account of the indigestible pulpy fibre found
in all fruits.
An Ottawa physician overcame these difficulties when he
discovered the principle which brought forth "Fruit-a-tives."
"FRUIT-A-TIVES" are fruit juices—not as they occur in fruit—but with
their medicinal activity greatly intensified. After the juices are extracted from the
fruit, a chemical change is made to take place in which one atom of the bitter
principle in fruit is replaced by one of the sweet. Then tonics and antiseptics are
added and the whole pressed into tablets.
Fruit-a-tives act on the three great eliminating organs—the Bowels, Kidneys and
Skin. They arouse the sluggish liver—enable the liver to give up more bile, which
regulates the bowels and cures Constipation (or non-action of the bowels) Fruit-a-tives
strengthen the kidneys and induce vigorous, healthy skin action.
For Headaches and Backaches—for Indigestion and Disordered Stomach—
for Irregular Bowels—for all Kidney and Bladder Troubles—for Skin Eruptions—
Fruit-a-tives are without an equal in the world.

does not have them.

"These college girls" said a clergy-
man as he gazed at the white and
superb ranks of the beautiful graduates,
"are a boon to the race." They intro-
duce new ideas.

"I christened the other day the
first baby of a married college girl.
Now, babies usually cry while they are
being christened; but this one was as
quiet as a lamb. Throughout the cere-
mony it smiled up beautifully into my
face.

"Well, madam," said I to the young
wife at the christening's end, "I must
congratulate you on your little one's
behaviour. I have christened more
than 2,000 babies, but I never before
christened one that behaved so well as
yours."

"The young mother smiled demure-
ly.
"No wonder he behaved well," she
said. "His father and I, with a pile
of water, have been practising christ-
ening on him for the last ten days."

"The idea of rehearsing a baby for a
christening! Who but a college girl
would think of such a thing?"
