that are being made by rearon nucre-seering pointcame to mitigate, by pseudo-blandishments, the injustice done us. They would fain excelptate the Government from the charge of inconsistency and extravagance with which they are jestly impeached by a deceived and in-jared people. Such base deception must, from the na-ure of things, prove unsuccessful, and, eventually, ex-cite the contempt and hrdignation of every lover of jus-tice and promoter of his country's prosperity. The in-tice and promoter of his country's prosperity. The in-tice and promoter of his country's prosperity. The in-tice the contempt and hrdignation of every lover of jus-tice and promoter of his country's prosperity. The in-tice the contempt and hrdignation of every lover of jus-tice the contempt and hrdignation of every lover of jus-tice the contempt and hrdignation of every lover of jus-tice the contempt and hrdignation of every lover of jus-tice the contempt and hrdignation of every lover of jus-tice the contempt and hrdignation of every lover of jus-tice the contempt and hrdignation of every lover of jus-tice the contempt and hrdignation of every lover of jus-tice the contempt and hrdignation of every lover of jus-tice the contempt and hrdignation of every lover of jus-tice the contempt and hrdignation of every lover of jus-tice the contempt and hrdignation of every lover of jus-tice the contempt and hrdignation of every lover of jus-tice the contempt and hrdignation of every lover of jus-tice the contempt and hrdignation of every lover of jus-tice the contempt and hrdignation of every lover of jus-in many localities, though ingennously kept under in many localities, thoug tice and promoter of his country's prosperity. The in-consistency practised by the Tory Government is too obvious, the improvidence too undoubted, and the ex-travagance too galling, to be connived at or longer stranguily borne by a free and enlightened people. The knowledge of how our political affairs are conducted is will studied and men seek with avidity to at-tent the generation of the Attorney General, when dissolve the Houss of Assembly, he must be very widely diffused, and men seek with avidity to at-tent the generation the search the target the generation of the attorney for the secret to a station, induced them all to come out, and had be be been with the best they have a superting to be course he and the bar bear they they avery they they avery they they avery widely diffused, and men seek with avidity to at-tent the secret the secret the they have the they have a superting the bar they have a superting the providence and they are superting to have and the bar bar bar they have a superting the bar bar they have a superting the bar they have a superting th
