NO NEWSPAPER TRUST IN GREAT BRITAIN

NEW YORK, Dec. 28—No newspaper trust exists in Great Britain, Lord Beaverbrook, said in the course of an interview, yesterday. "Lord Rothermere and I cannot be compared. He owns many more papers than I do. It is not true that our newspapers have acted as a unit in supporting the same men in politics," he said. "I was unswerving in my support of Bonar Law. Rothermere opposed him. Does that look like a newspaper trust? Our only point of agreement is that we both recognized that Premier Baldwin's decision to hold the recent election was a calamity."

Exports of Gold Quartz From Canada

Exports of gold bearing quartz dust nuggets and bullion totalled \$11,081,352 in the 12 months ending November 30. During the corresponding twelve months previous, such exports totalled only 3,843,981.

DECLARATION DAY PROCEEDINGS AT RICHIBUCTO, KENT

Richibucto, Dec. 28—This was declaration day for the Kent County bye-election, court being opened at 2 o'clock by Sheriff C. E. Boudreau, returning officer. During the proceedings it transpired that the official statement from one poll in the Parish of St. Mary's was not in evidence, it apparently being mislaid by the Deputy Returning Officer. Adjournment was made until Wednesday of next week. In the meantime the missing statement of the poll will be looked up.

The official returns from all the county polls showed no material change from those given out by the Canadian Press on election night. There were two or three slight changes in the figures on both sides. Should the official returns from the St. Mary's poll prove the same as given out election night the majority for Con. A. J. Doucett over Alfred E. Bourgeois; will be 197 with the possibility of a difference of one vote from that figure.

NEW DERBY CHURCH DEDICATED DECEMBER 23RD.

The formal opening of the new Ferguson Church, Derby, replacing the former church which was destroyed by fire last April, was held on Sunday, with large congregations at all three services, held during the day. The minister of the congregation, Rev. W. McN. Matthew, was ably assisted at these services by Rev. W. C. Machum, of Fredericton, Secretary of Religious Education for the Baptist Church of the Maritime Provinces, who delivered three inspiring and eloquent addresses, which were highly appreciated and greatly enjoyed.

The impressive dedication ceremonies were held at the morning service, and were of a most interesting nature.

In the afternoon a special service for the young people was held, the address given was suitable to the occasion, dealing with young people's work. At this service, nine awards were made for memory work, in accordance with the program of the Sunday School Board of the Church, and diplomas and certificates presented the pupils of the school who had fulfilled the requirements.

The regular evening services which were also of a special nature was largely attended.

The music provided by a largely augmented choir was a pleasing feature of the services.

The old Ferguson Church, recently destroyed was one of the oldest Presbyterian Churches on the Miramichi. Rev. Mr. Matthews, and his congregation are to be commended for their zeal and fine endeavor in so soon completing the erection of so worthy a church edifice upon the ashes of the old.

XMAS QUIETLY OBSERVED HERE

Christmas Day was very quietly observed in this section. The day was a delightful one and enjoyed by the residents of Newcastle. The fact that the weather has been so mild and the lack of snow was due in a large measure to the quietness that prevailed. Other years, at this season of the year, this district usually has plenty of snow making to sleighing delightful; and cold weather which provides ice for skating and curling. This year these pastimes were absent although those fortunate enough to have motors enjoyed motor rides on the streets which were admirable for motoring. The river not being frozen over this year, deprived those who formerly enjoyed horse racing on the river, on Christmas Day. In St. Mary's and St. Andrew's Churches special Christmas services were held and large congregations were present at all services. Special music was sung and appropriate Christmas sermons were delivered by the officiating clergymen.

The children enjoyed themselves at home with Christmas trees; and outdoors in coasting. The Opera House supplied a matinee in the afternoon and an interesting entertainment for the evening performance; both of which were well patronized.

It was not a green Christmas, but was devoid of many of the usual Christmas day attractions. Nevertheless it was a Happy Joyful Christmas.

Another Letter

"At Christmas, 1920, my wife received from members of the family, among things, one of your large fancy boxes containing assorted chocolates. She put it away and forgot all about it until a few days ago. "I had the pleasure of sampling

a number of pieces and want to say the fillings appeared to me and others who partook of them to be as fresh as when first made and as to the coatings, they looked bright and new and if mixed with fresh made goods I doubt if any but an expert would notice any difference. "The above may be an old story with your firm but as one who has a pride in our local institutions and industries, I feel the least I can do is to write as I now have." MRS. A. G. Messervey, 161 Oxford St. Halifax, Dec. 22, 1923.
