Diphtheria, Measles And Pneumonia

It is stated that the above mentioned diseases are now prevalent in Charlottetown and other parts of the Island. But such diseases need cause no terror to those who make good use of the Farador. Its curative action is beautifully shown in all acute ailments. Many Island children and adults have been snatched from the verge of the grave by timely use of the Farador. It is up to the people to avail themselves of this great remedy. The Farador may be rented for a trifle and the poor may obtain its use, free of charge.

MEASLES LEFT BAD COUGH.

The after-effects of measles may be far reaching, as the irritation of the respiratory passages is one of the characteristics of this disease, and very often those who have been robust, become delicate and liable to lung troubles, hence measles should never be regarded with indifference.

Measles are generally followed by an acute attack on the mucous membranes. The sneezing is accompanied with a watery discharge, sometimes bleeding from the nose, a cough of a short, frequent and noisy character, with little or no expectoration, hoarseness of the voice, etc.

Once the cough starts you should procure a bottle of Dr. Wood's Norway Pine Syrup, take a few doses a day and thus prevent bronchitis, pneumonia, or perhaps consumption getting a foothold on your system.

Mrs. Oliver Kelly, Bellisle Station, N.B., writes:—"Two years ago I had the measles, and they left me with a bad cough. I kept getting worse until at last I could not sleep. My neighbor told me of Dr. Wood's Norway Pine Syrup, so I sent and got a bottle, and before I had used it my cough was all better."

I find it a great family medicine for colds and coughs, and I now keep it in the house all the time."

Dr. Wood's Norway Pine Syrup is 35c. a large bottle 60c., at all druggists and dealers. Put up only by The T. Milburn Co., Limited, Toronto, Ont.

Look. Read. Realize!

We cater to the men's trade, and no other. If you were sick you wouldn't call to see a Tailor, or a Blacksmith, about the condition of your health. Of course not; you would call to see a Doctor.

If you wanted a Suit or an Overcoat would you go to see a Doctor, or a Shoemaker? Not at all. You would go to see a First Class Tailor.

WELL, there's where we shine!!! We study the business. We know what suits a young man

we know what suits a middle-aged man, and we know what suits the old gentleman—both in goods and in style. It does not make any difference whether you want your clothes Ready-to-Wear, or Made-to-Order. We are equally in a position to suit you. We do not let a suit or overcoat leave our establishment until it suits and fits the man who is buying. Our prices are always right when you take the quality into consideration.

Do not forget that we are sole agents for the famous W H Leishman & Co., Wholesale Custom Tailors. We have an elegant stock of Overcoats to show you at the present time.

Overcoats, Made-to-Order-from, ... \$30.00 to \$48.00 Overcoats, Ready-to-Wear, \$15.00 to \$36.00
