TO ADVERTISERS!

BUSINESS men throughout the United Counties of Huron and Bruce, and elsewhere, will do well to remember that the

HURON SIGNAL,

AN AN

ADVERTISING MEDIUM!

is unequalled in this section of the Province, having a

Circulation of More than Double

that of any other journal in the Counties!

MERCHANTS and others who desire to reach the greatest number of people with their advertisements, at any time, cannot do better *than at [illegible] subscribers*, or the pile of wetted paper for each week's issue, when we leave out the slightest doubt they will be satisfied with regard to what we state. Since Mr. McQueen issued the first 400 copies of the SIGNAL, (about seven years ago), it has been steadily increasing in circulation, and *has never been greater than at the present moment!*

We do not make these remarks on account of any falling off in our Advertising Patronage; on the contrary, we have had as many from every quarter as we could conveniently find room for, and we make it a point never to allow an advertisement to remain in the paper beyond the time bargained for. Several columns of quick notices have been turned away during the past six months, as we are determined, in accordance with the decision of the Press Association, not to allow them space at a cent less than the price received from local merchants. Somewhat more than, how ever, during the time mentioned, we have averaged one *column* of new advertisements per week. This fact proves a superior circulation, as it is well known by all advertisers that a paper that *charges full rates*, and is thus patronized, *must* be the best business medium, which, of course is always that having the greatest number of readers. The *Globe*, for instance, has the largest circulation in the Province, and, *therefore*, has the largest share of advertising, [illegible] *Leader* follows next, and so on.

Besides our old friends in the County of Huron, who have come to regard the *Signal* as a household friend, we have a large number of subscribers in Bruce, one hundred copies going to each of such special townships as Brant, Carrick, Culross, &c.

If, then, you have lands to sell, houses to let, goods to sell cheap, or any public announcement to make
