\$120 in Flour From Rossley's.

As several curious people have asked what amount Rossleys gave from the benefit, that is, the amount Mr. Rossley placed in the hands of the McGuire Bread Firm, for which McGuire gives one thousand loaves of bread at two and a half pounds each, at twelve cents per loaf, and today the tickets will be out for same. It was impossible to complete the order sooner. Every benefit Mr. Rossley has given he always states the amount, and within two years the benefits he has given is just on one thousand dollars. In his own quiet way he is always giving, and scores know that. The thousand loaves of bread will be all handed out, and in such a manner that the deserving poor will not be embarrassed. The names of ticket holders will be published to-morrow.

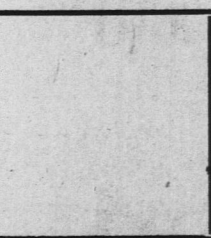

Entertainment at Seamen's Institute.

Household Notes

New rag carpet makes excellent covers for porch pillows, and it is durable and good-looking.

Stale cake can be soaked in milk and made up into ginger bread; the result is most satisfactory.

A lump of camphor, placed near silverware that is not in use, will prevent it from tarnishing.

Stir cereals with a fork instead of a spoon, when they are cooking; they will not become pasty.

Gingerbread, made with odds and ends of canned fruit, added to the batter, will make a delicious cake.

Ice-Bound Steamers Reach Port.

ADVENTURE.

After a four days passage from Louisburg, half of which time was spent butting through heavy slob ice, the S. S. Adventure, Capt. Couch, entered port at three o'clock yesterday afternoon, bringing her sealing supply of coal. The ship reached the vicinity of Cape Race on Sunday morning but owing to the ice, which was tightly packed, made very slow headway. Yesterday morning there was an off shore wind, causing the ice to loosen and the Adventure came through.

DURANGO.

The Furness Liner Durango, Capt. Chambers, reached port from Liverpool last night, bringing 800 tons of cargo, 95 packages of mail matter and 25 passengers.—R. C. Quick, F. C. Holder, H. A. Amos A. Warren.

The voyage occupied eleven days. An unusually quick run was made up to Saturday last when ice was first sighted. The following day Cape Race was sighted and the floe became heavier and difficult for the Durango to negotiate. For several hours practically no progress was made but, like the Adventure, when the floe loosened the came along.

Charity Committee.

A meeting of the Charity Committee was held yesterday afternoon to further consider the distribution of charity and the giving of labour to the unemployed in the city. The following were present:—

W. G. Gosling, Chairman; Rev. Fr. McDermott, Rev. Mr. Hemmeon, Rev. Canon White, Hon. J. Harvey, Mrs. W. C. Job, Inspector O'Brien, Commissioner Ayre and Mr. C. W. Ryan.

Mr. W. G. Gosling informed the meeting that the Civic Commission had decided to give employment in the way of stone breaking which work will be carried on at the old railway yard in the East End, and near the Gas House in the West End. The men will be paid at the rate of 90 cents per ton, and it is estimated that at this figure a man can earn \$1.35 per day. Employment may be had from the city inspectors or by applying to the foreman at either of the places where the work is being carried on. Mr. Gosling asked the clergymen present to instruct their parishioners to this effect.

The erection of new sanitary stables will likely begin within a fortnight when it is hoped a large amount of employment will be given. It was decided that the charitable societies will be able to cope with the situation in the meantime.

Warning!

It having come to our notice that certain unscrupulous engine dealers in Newfoundland, when unable to dispose of engines they are agents for, and jealous of the popularity of "MIANUS" among fishermen, are offering Mianus Engines for sale without our authority.

We now notify the public that JOHN BARRON & CO., of St. John's, are our SOLE REPRESENTATIVES IN NEWFOUNDLAND and LABRADOR for the sale of Mianus Oil Engines, and all orders must come through them.

We will not hold ourselves responsible for any engines except those purchased through our authorized agents. (Signed) MIANUS MOTOR WORKS, feb25,eod,tf Stamford, Conn.

One hundred and fifty players took part in a card tournament held at the Star of the Sea Club rooms last night. Three prizes of coal, a ham and box of cigars, the latter two prizes being donated by Messrs. J. T. Martin and P. J. Raynes, were competed for. The winners were Messrs. Kelly, Fitzgerald and Rolla.

Next week's tourney will be in aid of the city poor. It was announced that on Thursday evening Dr. V. Burke will lecture in the rooms and that Rev. Fr. Cox, S. J., will lecture to the members before the close of the Lenten season.

TO THE PUBLIC.—On behalf of the City Poor, kindly keep Thursday night, April 8th, free of engagements, when, under the patronage of their Excellencies the Governor and Lady Davidson, St. Thomas's Glee Singers will render a Concert in the Methodist College Hall. Local talent. Proceeds for the above laudable object. Particulars later.—Feb25,eod,tf

Winter Skin Troubles Cured By Zam-Buk.

Mr. W. J. Simmonds of Winkler, Man., says:—"I have always suffered very badly with chapped hands, and as my occupation necessitates my working with acids, the pain in my hands is sometimes unbearable. A short time back my hands were in a terrible state, and I had used, in vain, every salve I knew of, when a friend advised me to try Zam-Buk. Although I had not much hope of finding a cure, after trying so many remedies without avail, I determined to give Zam-Buk a trial, and I certainly was more than pleased at the result. My hands are now completely healed, the skin being soft and smooth."

Do you suffer from Frost Bite, Cold Sores, Chapped Hands, Chilblains, Winter Eczema, or any other skin disease? If so try Zam-Buk. The rich herbal essences will quickly allay the irritation and heal.

Zam-Buk is unlike all ordinary ointments in that it heals from the bottom up. As soon as applied it penetrates right to the bottom of the wound, kills any germs, stops the pain, and builds up new tissue.

Zam-Buk is the best remedy known for Cuts, Burns, Bruises, Piles, Eczema, Chapped Hands, Cold Sores, Ulcers, Pimples, and other skin diseases and injuries. All druggists and stores, or postpaid from Zam-Buk Co., Toronto, for price, 50c. box.

WOMAN WEAK AND NERVOUS

Finds Health in Lydia E. Pinkham's Vegetable Compound.

Creston, Iowa.—"I suffered with female troubles from the time I came into womanhood until I had taken Lydia E. Pinkham's Vegetable Compound. I would have pains if I overworked or lifted anything heavy, and I would be so weak and nervous and in so much misery that I would be prostrated. A friend told me what your medicine had done for her and I tried it. It made me strong and healthy and our home is now happy with a baby boy. I am very glad that I took Lydia E. Pinkham's Vegetable Compound and do all I can to recommend it."—Mrs. A. B. BOSCAM, 504 E. Howard Street, Creston, Iowa.

For forty years this famous root and herb medicine has been pre-eminently successful in controlling the diseases of women. Merit alone could have stood this test of time.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.
