

An Appeal to the People of Newfoundland!

(Continued from 8th page.)

sory assignment of pay, equivalent to the difference between the Separation Allowance and such payment, but not exceeding 15 days pay of rank (Working pay and field allowance excluded), of the officer or soldier, may be put into effect against the officer or soldier.

(a) Where the wife is separated from her husband as above and is living apart from the children and is not charged with their care, Separation Allowance or Assigned Pay or a portion thereof, subject to any valid claim of the wife by virtue of Separation Agreement or Judicial Decree, may be issued to the Guardian of the children.

(b) If the wife has been separated from her husband by Separation Agreement or Judicial Decree, and it does not appear that the husband is absolved from supporting her, and if the wife furnish a satisfactory explanation for not having obtained a judgment for alimony, Separation Allowance may be issued to the wife.

30. Where the wife is separated from her husband not by virtue of a written Separation Agreement or Judicial Decree, and the wife for a reasonable time prior to the enlistment of the officer or soldier, was separated from him and was not in receipt of any payment from him, no issue of Separation Allowance will be made.

31. A mother whose husband is, through physical or mental disability, entirely incapacitated from earning a living, will be treated as a widowed mother, and granted the allowance provided the officer or soldier prior to enlistment was or subsequent to enlistment has become her sole support, and the officer or soldier is unmarried within the meaning of Para. 10.

(a) Any material improvement in the financial condition of a mother receiving the Allowance as a widowed mother, must be at once communicated to the officer issuing Separation Allowance and Assigned Pay, and the withholding of such information whereby payments have been obtained, shall be deemed to constitute fraudulent action.

32. If otherwise eligible, a widowed mother dependent

on two unmarried sons, one of whom has enlisted in the Force, will be entitled to the Allowance when the remaining son enlists; and a widow with three or more unmarried sons, on whom she is dependent, will be entitled to the Allowance when a third son has enlisted.

33. The Allowance of a widowed mother will cease on her re-marriage, or upon the marriage of her son, in respect of whom the Allowance has been granted.

34. The Allowance may be granted for such adopted children of an officer or soldier as are, in the case of boys, under the age of sixteen, and in the case of girls, under the age of seventeen, provided such children have been regularly supported by the officer or soldier.

Section 7.—Procedure for Making Claims — On Enlistment.

35. On appointment, every officer, and on enlistment, every soldier, claiming separation allowance for a dependent shall report to the Paymaster of his unit and fill out a Separation Allowance and Assigned Pay Card. All applications for the Allowance on the grounds of "sole support" and as "Guardian" must be accompanied by a Statutory declaration and such other documentary evidence as may be required to substantiate the claim.

36. A soldier who has a dependent but considers such dependent not eligible for Separation Allowance under these Regulations will be required to deliver to the Paymaster of his Unit, a statement under oath of the reason why he considers such dependent not eligible for the Allowance. Otherwise if such dependent will make a claim for Separation Allowance it will be taken for granted that the officer or soldier knows no valid reason why the allowance should not be granted and a compulsory assignment put into force against him.

37. Where the claim for Separation Allowance under Para. 35 is refused as inadmissible, the amount of pay assigned by the soldier will be paid to the person named, unless it appears that the soldier has a dependent eligible for Separation Allowance, in which case the Separation Allowance may be granted to such dependent and an assignment may be put into force against the soldier in favor of such dependent. In such cases the soldier will be informed of what action has been taken by the department

and a similar notification will be sent to the dependents concerned.

Claims After Enlistment.

38. An officer or soldier intending to marry must inform his paymaster of his intention to marry a sufficient time in advance of the marriage, to allow steps to be taken to discontinue the issue of any Separation Allowance or Assigned Pay previously authorized for another dependent on his account. He will at the same time, state whether any such issue of Separation Allowance or Assigned Pay has been authorized; and if so, to whom.

In such cases, if Separation Allowance or Assigned Pay has previously been authorized for another dependent, the paymaster will at once take steps to have it discontinued. The issue to the wife shall not commence until the issue to the other dependent has ceased, which should be at the end of the month in which the marriage has taken place.

39. As soon as the marriage has taken place, upon the production to the paymaster of the marriage certificate, a notification showing the date and the place of the marriage, and the wife's full name and address, will appear in Part II. Orders, and a Separation Allowance and Assigned Pay Card will be completed by the officer or soldier and delivered to the paymaster. The latter will satisfy himself that the wife of the soldier is of a good character before any action in respect of payment is taken. If there is any doubt in the matter, the fullest enquiry is to be made by the paymaster, and a report sent to the officer issuing the Separation Allowance and Assigned Pay.

40. An officer or soldier who has not, on enlistment, claimed Separation Allowance for a dependent may afterwards submit a claim through his paymaster.

41. In cases of dependents other than wives and legitimate children, unless the application for Separation Allowance is made within thirty (30) days of appointment or enlistment, no arrears of the Allowance will be issued for the period prior to application.

A Scene of Activity.

The Shipbuilding Premises is a scene of activity. A breakwater is being built to the eastward of the shore line. A big warehouse, three stories, 50 by 150 feet, is being constructed on the north of the track. It is windowless, and covered with corrugated galvanized iron to safeguard against fire. The sites of the Office and other buildings are marked out, and their construction will soon be undertaken. About 30 to 40 carpenters, besides a hundred or so other workmen are employed. The loss 100 or more tons of iron work, etc., in the S.S. Norge will delay work somewhat, though it is pleasing to hear the bulk of the machinery required was not on board. The Company is adding to the quantity of lumber and other constructive material, and it is expected that within a month the first touch will be able to be put on the first ship the Company are preparing to turn out. They have a large staff of men on the West Coast getting such lumber as is suitable with what has to be imported to make "staunch and strong a fleet of good vessels," according to their declared program.—Hr. Grace Standard.

Assault Case.

Two fair young damsels occupied the attention of the court this morning, one having the other summoned for assault. It appears that while engaged in a stiff argument the plaintiff used an expression that aroused the ire of the defendant, who remonstrated aggressively and dealt her opponent a blow. After hearing the evidence on both sides, Judge Morris believed it to be six of one and a half dozen of another and ordered both girls to sign bonds of \$50 to keep the peace towards each other.

Another Jump in Milk.

We understand a number of milk vendors have notified their customers that they intend increasing the price of milk two cents a quart at the end of the present month. This means that milk will be retailed to the customer at 16 cents per quart, an increase on the annual milk bill of \$7.30 per quart. A customer taking a quart of milk per day spends \$58.40 per year, quite an item for the man whose salary is below \$50 per month.

Gold Found.

The wonderful results that are being obtained from the small ads. inserted in the "Evening Telegram" prove the worth of our columns as an advertising medium.

On Saturday a lady advertised the loss of a gold watch and the same afternoon we were able to hand the article to her in perfect condition. The owner wishes to thank Mrs. Boland, of Outer Cove, the honest finder, for her promptness in returning the watch.

Lloyd George Has Withdrawn Action.

London, Oct. 16.—The libel actions brought recently by Premier Lloyd George against the Exchange Telegraph Company, the Westminster Gazette, and the Daily News, for publishing the statement that he left London when an air raid warning was given has been withdrawn, the terms being an apology for the publication and the payment of a certain sum, the amount of which is not mentioned, to indemnify the Premier for his costs in the action.

The Premier was present when the case was called at a special sitting of the King's Bench division to-day, where the settlement was announced.
