

**Perfection Tire and Rubber Co.**

To every shareholder of Perfection Co. who paid \$1.00 or more per share an opportunity is now offered to secure another block of these shares at about 25 cents each, plus "exchange" and expenses, the whole cost well under 30 cents per share.

The client who owns 100 shares that cost him \$100 can now purchase, while they last, another 100 shares that will cost about \$25 to \$30, including all expenses, and thus bring the net cost on the 200 shares down to 55 cents each.

Any number of shares, large or small, may be bought on this plan, but we cannot guarantee how long this low price will last.
