Russo-Polish Armistice Signed.

Hostilities Will Cease Tomorrow-- Enormous Captures By Poles Last Week--"Pussyfoot" Again in the Spotlight-- General Exodus from Petrograd--Mayor of Cork Survives 56th Day.

HOSTILITIES CEASE TO-MORROW.
WARSAW, Oct. 6. Dispatches from Riga says that hostilities between the Poles and Russian Soviet forces will cease Friday under an armistice signed by the Poles and Soviet peace delegates yesterday.

ARMISTICE SIGNED.
PARIS, Oct. 6. Dispatches from Warsaw and Moscow to-day announce that an armistice between Soviet Russia and Poland has been signed.

POLISH CAPTURES.
RIGA, Oct. 6. Polish official communications say the Poles captured during the past week fifty-two thousand prisoners, one hundred and eighty guns, one thousand and one hundred machine guns, seven armored trains, twenty-eight locomotives and much other material.

WILL NOW AID WRANGEL.
COPENHAGEN, Oct. 6. The French General Weygand has left for South Russia to take supreme command of the anti-Bolshevik troops of General Wrangel, the National Tidende says to-day.

PUSSYFOOT JOHNSON HAS HARD TIME.
LONDON, Oct. 6. William (Pussyfoot) Johnson, temperance advocate from the United States, narrowly escaped from an angry crowd which interrupted one of his temperance meetings last night at Reading, Berkshire, and tried to break through the locked doors of the hall to reach him, according to a Reading dispatch to the Evening News to-day. The crowd also threw bombs containing foul smelling chemicals. The police had to be called out to prevent serious disorders. Johnson escaped with detectives by the rear exit of the hall through a graveyard to a taxicab. Strong though less violent opposition to Johnson was reported from Wales recently.

LEAVING HERE TOO.
LONDON, Oct. 6. Dispatches to the Exchange Telegraph Co. and Central News from Helsingfors, Finland, quote Russian reports of an increasing exodus from Petrograd in order to escape threatened starvation. Dispatches say that two hundred thousand persons have left the former capital and that outgoing trains are crowded.

NOW ONE TO ONE.
NEW YORK, Oct. 6. In a pitching duel between the leading hurlers of the National and American Leagues, Burleigh Grimes, Brooklyn's spit ball ace, to-day shut out Cleveland three to nothing in the second game of the world's series at Ebbett's field. His ability to hold the Indians in check when hits would have meant runs, marked his superiority over James Bagby, whom manager Speaker selected to add the second

game to the Cleveland string. The victory which placed the dodgers alongside Tris Speaker's Indians was due almost entirely to the excellent pitching of Grimes, who had the heavy hitting representatives of the Junior League baffled throughout the games.

UNIQUE CEREMONY.
MONTREAL, Oct. 6. A ceremony unique in the history of Canada took place to-day when Kieu Tebou, a Chinese girl from the city of Canton, received the white veil of a novice of the Order of Soeurs Missionnaires D'Immaculate Conception. Interest was added to the event by the fact that it was the Bishop of Canton, Mgr. Juebiert, who officiated at the ceremony, being now in Montreal on his return to China from Rome.

SHERIFFS AND MINERS CLASH.
CHARLESTON, Va., Oct. 6. One deputy sheriff was killed, three others were wounded seriously and two miners were shot in a fight early to-night at Blair Logan County, Va., on Little Coal River, according to information received here by Fred Mooney, Secretary of district number seven-teen United Mine Workers of America.

GETS FIVE YEARS.
VICTORIA, Oct. 6. Griffith Hughes, prominent newspaper man, pleaded guilty to the charge of stealing thirty-eight thousand dollars from the David Spencer department store, for which he was accountant, and was sentenced to five years in the penitentiary, when he was brought before Justice Morrison in the Assize court to-day.

LOOKING AFTER FUEL SUPPLY.
Ottawa, Oct. 6. It is learned that regulations regarding the control of the fuel situation by the railway commission will to a great extent follow the lines of those which proved effective during the shortage of recent winters. In one important particular, however, they will be different from the regulations previously in force. In view of the fact that conditions as to fuel supply for the next six months vary a great deal in different provinces the new regulations will be made optional. A province may adopt them or not as the provincial authorities decide. It necessarily follows that a large measure of control will rest with the provinces.

IRISH JUDGES ARRESTED.
WEXFORD, Ireland, Oct. 6. Richard Coris, Mayor of Wexford, and Edward Foley, merchant, who were acting as judges at Wexford administration court here yesterday were arrested by the police, after the military had surrounded the building.

MACARONI GETS HUNGER STRIKERS.
ANCONA, Italy, Oct. 6. The Ancona hunger strike is over. A platter of delicious macaroni induced the strikers quickly to abandon their fast. The hunger strike was started by persons charged with being involved in anarchist riots last June as a protest against delay in their trial.

ITS PROBABLY HIS OWN BUSINESS.
TORONTO, Oct. 6. A meeting of the Toronto Academy of medicine was held to-day to deal with the case of Dr. J. T. Glover who has declined to furnish information regarding his Cancer cure to the Academy. Dr. Glover says he will furnish a report to proper parties at the proper time, according to his friends.

STILL ALIVE THE 56th DAY.
LONDON, Oct. 6. The physician is quoted as saying that MacSweeney's condition is generally unchanged to-day. The bulletin of the Self-Determination League says he passed a bad night.

HOW YOU CAN TELL GENUINE ASPIRIN
Only Tablets with "Bayer Cross" are Aspirin—No others!

If you don't see the "Bayer Cross" on the tablets, refuse them—they are not Aspirin at all. There is only one Aspirin, that marked with the "Bayer Cross"—all other tablets are only acid imitations. Look for the "Bayer Cross"! Then it is real Aspirin, for which there is no substitute. Aspirin is not German but is made in America, and is owned by an American Company, all rights being purchased from the U. S. Government. Genuine "Bayer Tablets of Aspirin" have been proved safe by millions for Pain, Headache, Neuralgia, Colds, Rheumatism, Lumbago, Neuritis. Handy tin boxes of 12 tablets—also larger "Bayer" packages, can be had at any drug store. Aspirin is the trade mark (Newfoundland Registration No. 761), of Bayer Manufacture of Monoaceticacidester of Salicylicacid. The Bayer Co., Inc., U.S.A.

Tribute to the Clare Brothers.

Corporal Robert Clare, Regimental No. 210, who with his brother, Lieut. William Clare, joined up and left with the first 500, was taken off the regimental strength yesterday after six years and 51 days on the regimental roll. "Bob" shows the scars of time in the trenches. He was over the top July 1st, 1916 in No. 1 platoon and one of the few that survived. He was also at Gallipoli where he fought in all the engagements. In Flanders he received wounds which deprived him of his left leg, but he is just as good a soldier as ever and feels that he did his part. Lieut. Bill fought alongside his brother, and that his services were appreciated will be seen by reading the following official despatch:—
THE WAR OF 1914-1918.
NEWFOUNDLAND REGIMENT.
2nd Lt. W. Clare, 1st Bn. was mentioned in a despatch from General Sir Douglas Haig, G.C.B., K.C.J.E., K.C.V. O., A.D.C., dated 13th November 1916

for gallant and distinguished services in the field. I have it in command from the King to record His Majesty's high appreciation of the services rendered.
WINSTON S. CHURCHILL,
Secretary of State for War.

Fr. Ashley at Argentina.

Argentina, Oct. 6.—The esteemed Parish Priest of Torbay, the great promoter of our Branch line railway, is now here. His coming brought forth great manifestations of welcome from his former parishioners in Argentina. Bunting was profusely displayed along the proposed line of railway and cheering was frequent from the men who stood in groups along the line at Argentina. Father Ashley addressed upwards of a hundred stalwart fishermen who gathered to greet him. Excitement ran high and cheering was indulged in until he reached the Presbytery.—COR.
