

When Choosing the Material for a washable Frock for the growing child—

MOTHER naturally thinks of the possibilities of the fabric shrinking in the wash. It is therefore a relief to her to know that the fabric will not shrink or lose its charm if Lux is used for its cleansing.

Durability, charm of colour, quality of texture, the freshness of newness—these are preserved to all good fabrics washed with Lux. A packet of Lux—a bowl of warm water—and dainty hands can cleanse delicate fabrics in a delightfully easy manner.

The beautiful pure Lux flakes are whisked into a creamy, bubbly lather in an instant. Gently squeeze this cleansing foam through and through the soiled texture—then rinse in clean water and hang to dry. Lux cannot harm a silken thread. It coaxes rather than forces the dirt from the clothes.

Packets (two sizes) may be obtained everywhere.

Outport Man Wins Hard Fight After Years of Trouble

Bonavista Man Had Suffered Since He Was A Boy But Can Eat Anything Now.

"When a man has suffered from stomach trouble like I have almost all my life he knows how to appreciate a good medicine like Taniao," said Josiah Penny, Outportman of Bonavista, while on a visit to St. John's.
"I never could have believed that any medicine would make such a difference in a man's health. I suffered from attacks of acute indigestion ever since I was a boy of thirteen and, while I have never been what would be called a invalid, I have been kept miserable for years with a bad stomach. I didn't eat any breakfast for many years, and ate a very carefully selected diet at other meals, but there was very little if any improvement in my condition. At last my whole system seemed to go wrong; my kidneys, I believe, to bother me and I was generally run down."
"Taniao has done more for me than all the medicines I have ever taken put together, and I have tried almost everything. I eat heartily now three times a day, especially at breakfast, and I never have a trace of indigestion. My whole system has been toned up and strengthened, and I actually can't remember feeling as well and strong as I do right now. There is no doubt in my mind about Taniao being the best of all medicines for stomach trouble."

Labor Organizations Favor June 24.

At a meeting of the Unemployed workers held on Saturday night last, the question of the observance of June 24th as Newfoundland's National Day was considered, and it was unanimously decided that the 24th should be kept as a holiday. As this meeting represented fourteen hundred workmen, who represented seven thousand men, women and children, that is quite a considerable portion of the citizens of St. John's. Many of those workers are also members of the L. S. U. It is generally admitted that if that body were permitted to express an opinion, they would be unanimous in declaring for the day in which their country was discovered.

CORNS
Lift Right Off without Pain
Magic! Drop a little "Freezone" on an aching corn, instantly that corn stops hurting, then shortly you lift it right off with fingers. Doesn't hurt a bit.
Your druggist sells a tiny bottle of "Freezone" for a few cents, sufficient to remove every hard corn, soft corn, or corn between the toes, and calluses.

Moral Hazzard Again.

The Philadelphia Patrol recently found, upon answering a call on an upper floor in a good, modern fireproof building, that the stock, which was chiefly ladies' garments, had been well soaked and practically ruined by water and smoke, although the fire was only a minor one, and no water had been thrown on the fire or stock either by the fire department, as it had not arrived, or by sprinklers, as the building was not in this class. The assured evidently was out to collect a big water damage loss, but he overlooked the fact that the ever watchful eye of the Insurance Patrol would almost certainly detect the attempt.—Spectator.
