Anaemia

Thin, watery blood is no more nourishing than thin, watery milk

But you can soon enrich thin blood, overcome the anaemic condition and build up the whole system by using Dr. Chase's Nerve

Mrs. F. G. Simmons, 42 Curtis St., Brantford, Ont., writes: "For about eight years I suffered from anaemia. My circulation was poor, my gums and lips were pale, and my hands and feet were always cold. I was nervous and unable to sleep well. I had frequent headaches, seemed restless and frequent headaches, seemed restless and easily worried or irritated. There was a buzzing sound in my ears. Indigestion was also one of my complaints, and I often was attacked by weak spells. I went to a doctor, who told me I was anaemic, but as I did not get any better I decided to try Dr. Chase's Nerve Food, and after the first box I felt brighter and my headaches completely disappeared. I continued using the Nerve Food for quite a while. I am quite well now, and cheerfully and gratefully recommend Dr. Chase's Nerve Food to people suffering as I did before Food to people suffering as I did before I used this splendid medicine."

She was wearing a frock he had not seen before-Peter was always quick to notice a woman's clothes and it seemed to him to make things a thousand times worse. Bonnie was not at all the sort of girl to dress up for any man unless she particularly wanted to interest him.

MEANS BARGAIN PRICES FOR YOU.

Owing to changing and present conditions of business, we are considering this year running our merchandising and selling differently. Part of this change will be the cleaning up of goods of which we have an overstock, or goods the season of which is passing, at prices which will not necessarily mean any consideration of the cost of these goods. Customers will however note that all such prices can hardly be expected to be held indefinitely and they will do well to seek advantage of same early. In our "Different Selling" Campaign we also aim to achieve other results which will be unfolded later.

We open our "Different Selling" Campaign with the following Reductions and Bargains:
