The White Wilderness.

NFLD'S FIRST GREAT SEALING NOVEL
(By GEO. ALLAN ENGLAND.)

Into this stirring and convincing story the author weaves his experiences aboard a Newfoundland sealing vessel.

The tale concerns the romance of Spencer Harrod and Blanche Cameron who, struggling from a "Plane" crash off Bonavista, are enraptured in the ice-world until rescued by the sealer Vigilant, on board which they encounter many hardships.

The story is an epic of the sealers' toil, from the pen of an author who has won fame by his powerful stories set in Nature's Wilds.

Uses 27 Buicks

At the present time we are operating 27 Buick Cars. Some of these were purchased in 1918 and have been rendering dependable and satisfactory service.

We purchased five of the new 1924 cars with four-wheel brakes and I have driven them personally. The performance is good. In fact there is a feeling of safety that does not exist with two-wheel brakes.

The body design is a great improvement over previous models, but the most important feature is the four-wheel brakes.

SAMUEL L. KING, JR. General Manager,
Equitable Auto Company, Pittsburg, Pa.

When Better Automobiles are Built, Buick will Build them.

The History of \$30.75

One day last Fall \$30.75 was in the pocket of a popular postal official and it suddenly decided that it could purchase an Income Guarantee for its owner. So it induced its owner to see our agent, the necessary arrangements were made, and our Policy went to the gentleman and \$30.75 came to our office to rest a while before visiting our Home Office. Last month he became ill, causing four weeks' disability, and when we told \$30.75 about it, at Toronto, it immediately multiplied itself to \$100.00 and we have just given that amount to the gentleman.

"A friend in need is a friend indeed."

There's a moral to the story of \$30.75.
