Crump to Get Trial Linn Crump, Calgary, who has been in the city competing in the A.B.C., is going to make the jump into professional company this year and will probably get a trial with Bert Dunn's Medicine Hat team. Crump was one of the hest amateur pitchers Edmonton ever had, and last year played semi-pro. ball in Calgary, winning about 14 straight games. He played on the same team as Andy and Henry Baxter, formnbers of the Edmonton club.

A Good Pitcher Doc. Cummings, one of the best pitchers in the W.C.L. in 1911, is at his home in Freeport, Ill., and free to sign. Cummings was a regular iron man and in 1911 often pitched both ends of a double header. He is looking for a berth in the Western Canada league. Dunn Signs Godfrey

Bert Dunn, the new manager of the Medicine Hat club is working hard to get together a scrappy bunch of players. He has already signed five pitchers for a try-out. Ladd, a big fellow will do the catching, while Godfrey, who played second for Red Deer last season, and hit 337 will play second base. The team will train at Wenachee, near Spokane.

Jim Mitchell and Alf Patrick Would Stay Here and Represent Calgary

But Offer from Toledo Is Very Tempting; Support of Citizens Necessary

Arrangements are being undertaken finance a trip to the great Pacific bowling congress at Vancouver upon behalf of an All-Star aggregation of pin topplers of Calgary. Two of the op-notch men, Jim Mitchell and Alf. Patrick, have just reutrned from the United States, where they bowled in cournaments at Toledo and Minneapolis. They financed their trip, but do not feel justified in bearing the entire expense of attending a third tournament so soon. Without the services of Mitchell and Patrick, the Calgary trundlers would stand very little show on the coast. With these men and the addition of Jack Stockton, Bert and the addition of Jack Stockton, Bert Bowser and Houghton, the present provincial champion, Calgary should win in a walk. A sixth man will be necessary in order to complete three entries in the doubles and to provide a spare man in the event of disaster overtaking one of the original five. These names are not suggested as being those of the men definitely decided upon, but the five mentioned, with the addition of an equally capable sixth, will stand some gruelling games.

At the very least the expense per

lars per man is the entry fee. Then there is transportation, sleeping car accommodation, dining car service and a week's hotel bill in Vancouver, so \$600 for the team is a conservative figure. The Calgary pin busters are willing to stand half the required amount, and if \$300 can be raised on the outside the trip is assured. At the Toledo tournament the Over-lands hung up a world's record. Fif-teen hundred players participated, and out of this number five men constitute

a team. The other day Jim Mitchell was asked by wire to immediately join the Overlands at Rochester, where the (By F. McPherson in Edmonton Journal)

And a the railbirds will the position has been tendered Johnny, but he has not the pasture the Birds are going to have real groundkeeper this year in a man. Bowling is not a money making game

There are no big gate receipts, and the bowlers have to foot their own bills as in curling. A number of Calgary's best men are salaried employees, and all of them cannot afford the expense of such a trip. For this reason they are handicapped, and it seems the white thing to do to help them along. Mitchell and Patrick

Ducky remarks that he has seen the accounts of the Eskimo-Winnipeg Allan cup games, and adds "the Eskimos would have done mighty well if the games had been called at the end of the fifth inning."

Art Thelan, who has pitched good ball in this league, has come to the conclusion that his arm has gone entirely to the bad and writes asking for a position on Frank Gray's umpiring a position on Frank Gray's umpiring that the might be thought on the highroad to recovery were well founded, but at a certain point he stopped, and his doctors have not been dole to pass the difficult corner.

Regina is dissatisfied with the draft schedule prepared by President Gray and Secretary Horner. The principal objection is that Regina has 58 home games and 62 abroad, while the other clubs are served better. Saskatoon was to break even, and Edmonton and Calgary favored with 62 at home end 58 abroad. This matter can be easily fixed up.
