Our Special Men's Overcoats ASQUITH GIVES NOTICE OF MANHOOD SUFFRAGE BILL

Announces He Will Introduce Measure to Give Every Man One Vote and Commons Can Include Women If Necessary.

London, Nov. 7.—Premier Asquith announced this afternoon that the Government intended to introduce a manhood suffrage bill at the next ses-

sion of Parliament. Manhood suffrage means one vote for every adult male, with the exception of aliens, the insane, and such persons as are usually disqualified by law. Under the present system, men maintaining several residences have

the right to vote in each place.

A deputation composed of 90 members of Parliament waited upon Pre-A deputation composed of the state of the st

M. P. for Durham, pointed out that only issued was pledged to manhood. The Prime Minister, said that the Government was pledged to manhood suffrage, and would introduce a bill to that effect, but it would not include suffrage, and would include women. The bill, however, he said, would be in such a form that the House could extend it to include women if the House sop leased.

The Conservatives will oppose the measure on the ground that it ought to be accompanied by a "redistribution of seats bill," and its passage will be further complicated by the question of women suffrage. The present intention of the women's party is to oppose it actively.

WANTS DAMAGES H. McColl Asks St. Thomas Council to Pay for Auto Repairs.

H. McColl, of this city, is asking the St. Thomas council to make him some compensation for damage done to his auto in July. His legal representative claims that the roadway on First avenue being narrow, Mr. McColl was crowded over on the car track, when turning out in order to pass another conveyance. However, when the Traction car came along he was unable to get the wheels of his car over the track again and was struck. It is contended that the road was out of repair, the rails being full above the level of the road, and the space between the tracks not being filled up even with the rest of the thoroughfare.

In case a settlement is not reached. H. McColl. of this city, is asking the

AROUND THE WORLD

Karl Hildebrand Reaches Jerusalem On Long Jaunt. Constantinople, Nov. 8.—Karl Hildebrand, who is trying to walk around the world, has just reached Jerusalem, after 7½ years of globe-trotting. It has been sent on this long walk by a committee in London. The members are anxious to find out whether a man can possibly accomplish the tour on foot around the world without asking for any help on the way. Part of Hildebrand's duties consists in reporting to the Esperanto Association information bearing on the progress of Esperanto as a world language. He is also furnishing the German labor party conditions as to housing, pay and hours.

Hildebrand has already trayersed America, North Africa and Europe. He is now on his way to India, and thence will try to cross China. He had at the outset fourteen companions, who are also trying to accomplish the task. Two of these, however, have died. Hildebrand himself is well. Constantinople, Nov. 8.-Karl Hilde-
