YOUNG ORATORS' CHANCE
Canadian Club to introduce a Series of Debates.

The executive of the Canadian Club received the report of the "young blood" committee on Tuesday evening, and decided to initiate a series of debates on subjects to be introduced by the budding orators of London. The subjects will be of international interest, and matters of a controversial nature will be avoided. The debates will be commenced in September.

This season's luncheons will cease at the end of May, but before that time it is expected that the club will be addressed by Dr. Braithwaite, dean of Calgary University; Dr. Rainford of New York; R. S. Gourlay, one of Toronto's leading manufacturers; R. J. Young, of Montreal, and Prof. Stephen Leacock, of Montreal.

NEWS LOCAL

Estimates On Thursday.—The board of control will take up the estimates at a special meeting next Thursday night.

It was planned to have dealt with them last night, but they were not ready.

More than one session will be needed to dispose of the figures and prepare for the striking of the tax rate.

Cutting off \$120,000 or putting up with a 29 mill rate is the question that the controllers will be up against, according to the wisecracks of the city building.

Grass Fire.—The combination motor truck from the central fire hall responded to an alarm to extinguish a grass fire on Egerton street about five o'clock yesterday afternoon. Shortly after the brigades had another run to Mrs. I. Adams' residence, 847 Dundas street, where a chimney had taken fire. In both cases the damage was slight.

Suit Is Transferred.—The suit brought against the Phoenix Fire Insurance Company by Fred. G. Rumball, was transferred from the jury to the non-jury list by Mr. Justice Kelly yesterday.

Sir George Gibbons is counsel for the plaintiff, and Moss and Thompson are acting for the defendants.

Misconstrued Meaning.—Dr. F. P. Drake, one of the local license commissioners, who, in an interview in the evening edition of yesterday's Advertiser, was quoted with reference to the prevalence of drinking among London women, complained last night that a misconception had been placed upon his words.

"I wish to qualify my statement," said Dr. Drake, "in saying that I had referred to such women as those who go into licensed places and purchase their own liquor. It is my opinion that the better classes of society are quite free from the use of liquors."

St. David's Guild Officers.—The annual meeting of the St. David's Ladies' Guild was held yesterday afternoon, the rector, Rev. S. E. McKenney, presiding. Mrs. Menzies, last year's president, presented a report of the year's work which showed that funds had been subscribed to the church, and the choir and other organizations had been assisted.

Officers: Chairman, Mrs. McKenney; Vice-president, Mrs. Collard; Secretary, Mrs. Cook; Treasurer, Mrs. Foster; Auditors, Mrs. Reid and Mrs. Pearson.

CITY AND COUNTY

MAL GO TO LAW

Dispute as to Municipalities Rights in Court House Lands.

WANTS BUILDINGS MOVED

County Jail Committee Says London Must Give Up Possession by April 24.

Will the City of London and the County of Middlesex go to law in order to settle the vexed question of the rights of the two corporations to the court house lands? Mayor C. M. R. Graham declared, at a joint meeting of the board of control and jail committee of the county council Tuesday night, that such procedure might be necessary.

The jail committee notified the controllers that the city would have to remove its buildings on the King street side of the court house grounds before April 24, or in the event of non-compliance with the order, the county council would order their removal and charge the cost to the city.

At It for Years.

The county council, who were present to back up the letter, said that they had been trying to secure the removal of the buildings for four or five years, but had not been successful. They were desirous of seeing just what power they had, for the land was wanted for gardening purposes.

The mayor advised that the committee had sent a letter to the public utility commission, as the buildings objected to be used principally for storing their goods.

"It will be up to some county council," said the mayor, "to ask the county to decide where the two corporations stand with reference to the courthous grounds. I have been told that the land is quite as much for the use of the city as for the county and that we could erect buildings on it if we so chose."

Middlesex Industrial Farm.

The proposal to establish a Middlesex Industrial farm was briefly discussed. The county delegates favored it, but the mayor was inclined to give that there would not be enough prisoners in custody, on the average, to look after it.

Reeve C. W. Hawkshaw, of Lucan, was strong for the proposal and thought that a farm of 1,000 acres would be sufficient to employ the prisoners.

He suggested that the County of Elgin be asked to join with Middlesex in commencing such an enterprise.

"How many prisoners will we have when some of the Whiskey Row hotels are cut out?" asked Controller Hubert Asplund.

Will Hear Dr. Bruce Smith.

As the joint courthous committee will meet on the 24th inst. to purchase furniture and fittings for the building, it was decided to ask Dr. R. W. Bruce Smith, inspector of prisons and hospitals, to address the committee on the evening of that day with reference to their prison farm scheme.

The mayor suggested that the Government might co-operate in the scheme with its 400-acre asylum farm south of Oxford street.

Controller W. G. Coles brought up the question of erecting a joint county and city registry building on the courthous grounds, and this matter will also be gone into later.

SUFFRAGETTES SCRAP

Large Crowd Attracted by Unusual London Spectacle.

The spectacle of two women in a fistie encounter on Dundas street, between Wellington and Colborne, attracted the attention of a large crowd on Tuesday evening. The women dug in with a vengeance and the hair-pulling and cheek-scratching contest lasted for several minutes.

BRINGS IN A TRUE BILL

Grand Jury Indicts Ben Sturoney on Serious Charges.

In the assize court yesterday, before Mr. Justice Kelly, the grand jury brought in a true bill against Benjamin Sturoney on two serious counts. The case will be tried at the conclusion of the trial of Thomas Riley for the murder of George Blackburn, A. E. H. Creswick, K. C., of Barrie, is acting as crown prosecutor.

Legal Query

OLD SUBSCRIBER—A leases a house for six months from B. At the expiration of the six months, will A have to leave the house or be regarded as a yearly tenant?

ANS.—Yes.

Would A have to have another agreement in order to become a monthly tenant?

ANS.—Yes.

A SUBSCRIBER.—A lad of 18 years gets away by a woman twelve months ago, and gets married to her in his stepfather's name, and thought it was his own name, all against his parents' wishes. The woman was living with a man five years, and had a child four years old. She stayed with the lad a week and then went back to the man and has been with him since. Can the lad marry again, and would it be legal? ANS.—No, unless the woman had been legally married to the other man first.

LICENSE.—If a man cannot procure a license in a reasonable time is he justified in driving a motor car without one? ANS.—No.

EAST ENDERS MAY NOT GET MARKET

Unconditional Deeds Demanded Before City Will Buy Site.

The board of control practically sat on the east end market proposition Tuesday night. After the matter had been gone over by the controllers and a deputation of east end residents, and it was shown that at a conservative estimate it would cost \$6,500 to initiate the branch market, the board would not recommend the project to the council unless the owners who have offered property made the deeds to the city unconditional.

"We will not recommend the establishment of the market," said his worship, "unless we have unconditional deeds of the property so that in case the market is not found to be successful the city may be indemnified for its expenditure of \$6,500 by using the land for some other purpose. We do not consider that it is good business to spend such a sum on an experiment and I feel sure that our city solicitor would not advise us to do so."

Under the plan submitted by City Engineer Asplund the proposed market site would be 154x177, with a 60-foot entrance from Dundas street and a 40-foot entrance from Rectory street. With the purchase of the building the total cost of the market was estimated at \$6,500. The stipulation was made by some of the property holders that the land donated or sold by them should be used exclusively for market purposes. In the event of the market turning out a failure the land would revert back to the original owners or their estates, and the city would be left with property valued at about \$2,500 after its hands after making an expenditure of more than double this amount. This was the way the mayor put it up to the delegation.

Delegates and representatives expressed their confidence that the market would be a success and it was decided to leave the matter in abeyance for a few weeks to give the property holders time to give their hands and determine whether they would be prepared to give unconditional deeds of their property.

GOD'S LOVE NOT FICKLE IMPULSE, BUT DISPOSITION

Strong Sermon by Rev. John Lyall at Western Association Meeting of Congregational Churches.

Rev. John Lyall, of Speedside, preached the association sermon last night at the meeting of the Western Association of Congregational Churches in the Southern Congregational Church. He preached from the text, "God loved men before all ages." 1 John 4:19. "Unto Him that loved us, and washed us from our sins in His own blood, and hath made us kings and priests unto God." The speaker said that the love of God is not a fickle impulse, but a disposition. When love dies out of the universe, then God himself dies, said Mr. Lyall. Love recognized, leads to washing and cleansing of character, how they affect the lives of men. He said that the love of God is not a fickle impulse, but a disposition. Great Delegates.

At the evening session greetings to the delegates were extended by Rev. H. D. Whitmore, pastor of the First Church and president of the association.

Rev. W. H. H. Clark, of the Southern Church, and George Amundson, of the First Church.

At the afternoon session an address by the president of the association, Rev. H. D. Whitmore, was given by Mr. Hermen, an Armenian home missionary.

The evening session closed with a communion service.

ST. DAVID'S FLOURISHING

Encouraging Reports of New Anglican Congregation Presented at Vestry Meeting.

Great progress has been made by the congregation of St. David's Anglican Church, according to the reports presented last evening at the annual vestry meeting. The rector, Rev. S. E. McKenney, presided over a large gathering of the parishioners. The various reports were satisfactory and progress all along the line was reported. During the year the charge was separated from All Saints' Church and made a separate parish.

As an indication of the growth of the congregation, the fact was cited that on Easter Sunday there were 76 communicants. A year ago there were but 26. During the year the choir was supplied.

The following officers were elected: Rector's warden, Charles Harkenson; peoples' warden, Thomas Thorogood; vestry clerk, C. Gibbs; lay representative, Harry Watson.

Votes of thanks were passed to the church choir, the Ladies' Guild and the other organizations that have assisted in making the year such a successful one.

YOUNG ELECTRICIAN INSTANTLY KILLED

Touched Live Wire and Fell Head-First to Sidewalk—Skull Badly Fractured.

[Special to The Advertiser.]

Kingsville, April 14.—Roy Corlett, while doing some work on the telephone line had occasion to climb a pole which carried three high-tension lines of the Essex County Light and Power Company, and in some manner his left arm came in contact with one of the cables and a charge of 22,000 volts entered his body. He fell from the pole, a distance of fourteen or fifteen feet, and struck on the concrete walk, which fractured his skull. Corlett, who has been working with the Essex County Light and Power Company for a couple of years, only hired with the phone company yesterday. He leaves a wife and two children.

KNOX CHURCH CHOIR GIVES PLEASING CONCERT

Sacred Cantata, "Olivet to Calvary," Is Given Splendid Rendition by Trained Chorus and Soloists.

In a miscellaneous program, and an exceedingly fine rendition of J. H. Maunders' sacred cantata, "Olivet to Calvary," the choir of Knox Church, South London, gave a brilliant success last evening. The church was well filled and great satisfaction was evidenced by the large audience in the spontaneous applause accorded the artists.

Miss E. Weston is the possessor of a sweet soprano voice of full, clear tone that was heard to advantage in Wooley's "Consider and Adore." G. White offered "He Thou Faithful Unto Death" (Mendelssohn), his powerful tenor raising its melodious and making it one of the finest numbers on the lengthy program. Mendelssohn's "O Rest in the Lord" was an excellent vehicle for Miss A. Grigg, her rich, warm contralto lending itself readily to the deep religious coloring of the offering. Mr. McCychoon's rendering of "Open the Gates of the Temple" (Knapp), was finely achieved, as were his bass recitatives in the cantata. A. G. Jeffries, the choirmaster and organist, offered Estienne's "Offertoire in D" with excellent effect.

The rich music of Maunders' cantata found beautiful expression by the choir. While there was evident that mechanical element that invariably marks the work of a church choir, the ensemble tone achieved in the chorus was most praiseworthy, and the soloists, Mr. Churchman and Mr. White, revealed nicety of phrasing and excellent intonation. The restrained religious expression of the cantata was well brought in, and a fine precision of attack and release, combined with a sympathetic understanding of pitch and stress, made the number most enjoyable.

VESSEL LEAVES KINGSTON.

[Canadian Press.]

Kingston, April 15.—The first vessel to leave port this season cleared this forenoon, when the coal schooner Ford River, under command of Capt. Chaucer Durand, cleared for Erie to load for Kingston.

Hundreds of Wild Geese In Vicinity of Kingsville

Kingsville, April 14.—A novel sight may be seen here any morning between nine and eleven o'clock. Over five hundred wild geese fly from Jack Minors', where they have been over night, out to the lake. They return to Mr. Minors' in the evening, where they are always sure of a good feed of corn.

The geese have been making Mr. Minors' place their headquarters for some years on their way to the northern breeding grounds, and their numbers are becoming larger each year.

A flock of about forty black swans alighted near the harbor here one day recently, possibly attracted here by the hundreds of wild geese, which dot Pigeon Bay every day.

OTTAWA STUDENTS TENDER AN APOLOGY

Investigation To Follow—University Authorities Will Punish Ringleaders, If Any.

[Canadian Press.]

Ottawa, April 14.—The strike of the students of Ottawa University came to a sudden end this afternoon when those who went out returned to the college and instead of sending a committee to Rev. Father Roy, rector, protesting against the removal of Father Fallon and discussing what was termed at the afternoon meeting as existing bilingual conditions, two of the students were selected to tender an apology.

It was officially announced tonight that an exhaustive investigation would be held and that it was thought if there was any ring leader, or leaders, they would be found out by Saturday. The students, who explained that on the whole the boys were sorry for their conduct and attributed it to the feeling that an exhaustive investigation would be held and that it was thought if there was any ring leader, or leaders, they would be found out by Saturday.
