

ALLIANCE WILL CLAMP LID ON PORT STANLEY

Lord's Day Organization Demands Prompt Action From Crown Attorney.

ST. THOMAS, June 27.—The lid is to be clamped on the alleged wide-open house at Port Stanley. The Lord's Day Alliance has made a demand on Crown Attorney McCormick for prompt action. Complaints have also reached the department of the situation at the lakeside and an investigation is being quickly made of the condition there, with a view towards a vigorous prosecution under the Lord's day act. Articles of holiday description are alleged to be a nuisance and work done on the Sabbath which does not come under the scriptural category as a necessity.

Orders are given to clean up the resort and the crown attorney has assured the representatives of the alliance that he will make a thorough job of it. The last raid made on the proprietors of cigar stores, ice cream parlors and other concerns at the Port was when Rev. Mr. Gilmore was pastor of a church in Fingert. But Port Stanley then was an old maid's tea-party compared to the doings at the lakeside today. The crown attorney has no official mandate to determine what is a bathing gown nor advise on the delimitations of low-necked pants. His primary instructions are to insist that the act be obeyed and after that the question of what constitutes an habillment ad nauseam will have that official's consideration.

POPLAR HILL PITCHER HONORED BY FRIENDS

Presentation of Sterling Silver Made to Jack McGugan.

ILBERTON, June 27.—The members and supporters of the Poplar Hill baseball team met at the home of Mr. and Mrs. J. McGugan and made Jack McGugan, who has been pitcher for the team for some time, a handsome wedding present, a full set of knives and forks in sterling silver. Leo Laing and William Chapman made the presentation, and Douglas Graham, captain and manager of the team, read the address of appreciation. Mr. McGugan made a suitable reply, thanking his team mates and friends for their kindness. The gathering after lunch spent a social evening in games and dancing.

Two fast games of baseball featured the half-holiday in Memorial Park. Poplar Hill beat the London Bolt Works team by a score of 6 to 2.

Batteries—Poplar Hill, Adair and Evans; London, Summers and Johnson. After lunch a splendid game was played between Poplar Hill and Hamilton road. Quite a large crowd lined the diamond, and the game was contested every inch of the way. The score was 4 to 3 in favor of Poplar Hill.

ST. CATHARINES, June 27.—The identification of at least four of the prisoners who faced the magistrate here today charged with having on May 21 murdered Peter Wabedda at Port Weller, Ont., was positive.

Sam Holly, Kos Vinoski, Nick Sherba and Sam Urbewick were recognized as having been at the scene of the murder.

Kos was identified as having been at the front door with a revolver in his hand, and, according to the evidence, Sam Urbewick held the back door.

CITY PROVIDING WORK FOR MANY AT BRANTFORD

Big Program Being Arranged For the Fall and Winter.

[Special To The Advertiser.] BRANTFORD, June 27.—The unemployment situation was discussed at length by the council tonight. Mayor Wedlake reporting that every known case of distress had been relieved, while every effort was being made to provide work. At present the number of men employed is the largest in civic history, and with street railway extensions to come and other works planned, it was thought that the worst would be over until the harvest sets in. For the winter months a program of sewer work is being laid out. The street railway's proposed extensions were approved, and this will provide for more work.

BLYTH PASTOR IS LEAVING SHORTLY

BLYTH, June 27.—The farewell sermon of Rev. R. J. McCormick in the Methodist Church was preached last evening, when the church was filled, as the Presbyterians had closed their church for the occasion. Mr. McCormick, who has been the minister here for the last five years, which is unprecedented in the local church, has endeavored himself not only to his own people, but to the general public, as he has always been ready to assist in every move for the good of the community. The service was very impressive, the minister taking for his text Ephesians 4, 15, "Till we all come in the unity of the faith, and of the knowledge of God, unto a perfect man, unto the measure of the stature of the fullness of Christ." He headed his subject as "The Perfect Man." He started to show that Paul was a church unionist of his day, and that all are united in faith, with a united faith and knowledge we aspire after the same Christ. "We have here," he said, "the standard set up for man, the measure of the stature of the fullness of Christ. The earliest ideal of man was the physical Hercules, Achilles, a man of mighty physique. I do consider such men as Dempsey and Carpenter have the universal regard today. Next comes the man of intellect, not men who had scandalized history and damned society. The true man is he who has lofty ideals, who aspires after the best, whose soul is unshaken by the touch of sin. Lofly pursuits ennoble life. Mastering the subject is the great benefit to the boy, not the paltry prize. The climb up the mountain is what brought vigor to the weakened body. Every noble impulse, every exalted ideal, makes for moral strength and spiritual vigor. Christ is the spiritual Mount Blanc, every man should accept Him as his standard of conduct and life."

He expressed his appreciation of the many kindnesses extended to himself and family, both by his own people and the citizens generally. He leaves this week for his new charge.

Blyth Lodge A. F. and A. M., with a number of visiting brethren marched to Trinity Church on Sunday evening, where Rev. W. B. Hawkins delivered a splendid Masonic sermon to them.

ARE LIABLE TO TAX. OTTAWA, June 27.—Salaries of ministers in the Provincial Governments and indemnities of members of Provincial Legislatures are liable to income tax. This is the judgment of Hon. Mr. Justice Audette of the exchequer court, delivered today in the test case of the king vs. the Hon. J. E. Caron.

TILLSONBURG, June 27.—The local Orange Lodge, accompanied by visitors from Ingersoll and several district lodges, attended church on Sunday morning. It was the largest turnout in the history of the local order. The brethren formed at the lodge rooms on Brock street, and headed by the Citizens' band, paraded to the Avondale Presbyterian Church, where an excellent sermon was delivered by Rev. T. McLachlan, B. A. After the service the brethren paraded to the town hall for lunch. Representatives of all visiting lodges in town today stated they would celebrate the glorious 12th in London and Oxford will have a record representation this year.

WITH THE SUMMER TOURISTS AT PORT STANLEY BEACHES

PORT STANLEY, June 27.—Last Sunday the splendid band of the Royal Canadian Regiment of Infantry, by special permission of Lieut.-Col. Hill, commanding, rendered artistic programs on Invererie Heights and L. and P. S. Park at Port Stanley.

The band, under the leadership of Capt. Ryan, has been elevated to a first position among the higher musical organizations of the continent. It is indeed worthy of the regiment. Every musician is an artist, or that worshiper of musical art would not have him in the band. Amidst the beautiful surroundings of Invererie Heights it was a rare treat to hear this organization play its well-selected numbers.

Saturday night the fine 20-piece G. W. V. A. London Band played a specially-prepared program of popular and classical airs on the promenade between the bathhouse and the roller coaster. A grandstand has been erected, and it is the intention to continue these concerts every Wednesday and Saturday nights.

Nightly the Casino draws large numbers of the younger set from London, St. Thomas and other places, the excellent orchestra and fine floor winning constantly increased favor.

Yesterday the free moving pictures were screened on the board walk for the first time, a fine orchestra being in attendance. It is the intention at present to screen a special feature and two comedies.
