Aug. 23 1913 Sept. 8
TORONTO

Saturday evening two Forest young men went out in an auto without any lights. Just east of town they caused the upset of a buggy in which Mrs. Chas. Maidment was driving. In the upset she had one of her legs broken, and the young men will have considerable of a bill to pay to settle matters.

One farmer in Rosanquet township reports a revenue of \$112.00 from two acres of peas grown for the canning factory. He estimates from this a clear profit of \$75.00.

THE TRUE STORY OF A WOMAN WHO WOULDN'T

ONCE there was a woman who declared up and down that she wouldn't wear glasses. Very well for a time—but time kept going on—when reading became difficult she would squint her eyes and thus obtain better vision—but time going on—and by and by she was using all the muscles of her face to squint her eyes—then came those tell-tale wrinkles—here and there at first, then everywhere. Her excuse for not wearing glasses was that they made her look older.

"But, the wrinkles were there, beyond repair."

Don't be like the woman who wouldn't wear glasses. Good Glasses do keep the eyes good.

MAIL CONTRACT

SEALED TENDERS, addressed to the Postmaster General, will be received at Ottawa until Noon, on Friday, the 5th day of September, 1913, for the conveyance of His Majesty's Mails, on a proposed Contract for four years, six times per week, Avinston (north west) Rural Route, from the Postmaster General's pleasure.

Printed notices containing further information as to conditions of proposed Contract may be seen and blank forms of Tender may be obtained at the Post Offices of Avinston, Totter and Walnut, and at the office of the Post Office Inspector, London.

G. C. ANDERSON, Superintendent.

Post Office Department, Mail Contract Branch, Ottawa, 25th July, 1913.

Two Ferries Seized Have Disappeared

Sarnia, July 25.—The American Government yesterday seized the two small ferries owned and operated by Capt. Egbert, which ran between Point Edward and North Port Huron. The Captain is charged with bringing Italians into the United States from the Canadian side after having been warned on two previous occasions by the Immigration Department. He also received warning from the Canadian authorities against bringing in aliens from the United States. This morning the two boats, which were tied up to the Fort Gratiot dock, had disappeared, and it is said that a down-bound freighter sheering off her course hit the dock and carried away or sank the two crafts.

BROOKE COUNCIL,

Avinston, July 26th, 1913. Council met pursuant to adjournment. Members all present. Minutes of previous meeting read, and on motion of Mr. McCabe, seconded by Mr. Johnston, were approved.

Mr. McKenzie, representing the Municipal Telephone System, and Dr. Taylor, the Inwood Rural Telephone System, asked for a reduction in their respective assessments. No reduction made as roll was adopted, but a rebate may be allowed in taxes.

Engineer's report read on the proposed changes in the Edgar-Coristine drain. Estimated cost \$640. No change in names on petition.

McCabe—Johnston, that report be accepted, and by-law prepared for submission at next meeting to authorize work and loan.—Carried.

Report read on the proposed repairs to the Morley Zavitz drain, on S. 4 con. and 12-13 sideroad. Estimated cost \$294.

Sutton—Annett, that report be accepted and by-law prepared to authorize work and loan.—Carried.

Report read on the proposed repairs and improvements to the Brooke, Enniskillen and Dawn townline drain, the Brooke and Euphemie Townline drain and the Martin Creek drain. Estimated cost \$2552.00, of which \$1715.00 was assessed to Brooke, \$306.00 to Euphemie, \$417.00 to Enniskillen, and \$114.00 to Dawn.—Carried.

McCabe—Sutton, that report be accepted, and by-law prepared to authorize repairs and loan and Reeve McVicar appointed Commissioner over drain, he to serve the Reeve of the several municipalities interested, with copies of the Report.—Carried.

Sutton—Johnston, that Council open a Court of Revision on the Burford-McVicar drain.—Carried.

Declarations taken. Two appeals.

Wm. Patterson, sworn said, I am assessed too high. Assessment higher than when previously cleaned out and total cost less.

Robert N. McVicar, sworn said, My assessment is too high on both lots.

Annett—Johnston, that the sum of \$15 be struck off the repairs to the lot W. 14, con. 5, and \$5 off E. 13, con. 5, that this reduction of \$20 be placed as follows—\$10 to township, \$5 against lot E. 14, and \$5 against W. 15, both in con. 5, and that Court stand adjourned till 2 o'clock, p.m., of next meeting of Council, to allow cause to be shown why these changes should not be confirmed.—Carried.

Sutton—McCabe, that Council open a Court of Revision on the Wallis-Bolton drain, the Reeve in the chair.—Carried.

Annett—Sutton, that as there are no appeals, that assessment in by-law be adopted without any change therein, and Court closed.—Carried.

By-law submitted for the construction of the Johnston drain, cost \$1442.

By-law submitted for the repairs to the Crang drain. Estimated cost \$373.

By-law submitted for the construction of the Hayter Tile Drain. Cost \$458.

Johnston—McCabe, that foregoing by-laws be provisionally passed, printed in pamphlet form and copies of same served on each party assessed, with notice that a Court of Revision would open on each by-law, on Saturday, the 30th day of August, 1913.—Carried.

A New "G. M."

MR. A. H. WALKER, Who succeeded Mr. F. W. Broughall as General Manager of the Sterling Bank.

30th day of August, 1912, in the Hall in the Village of Inwood. Mr. Sutton to be Commissioner for the Johnston drain, Mr. McCabe for the Crang drain, and Mr. McVicar for the Hayter drain, each Commissioner to serve the by-laws for his own drain.—Carried.

Sutton—Johnston, that the McGill drain report be accepted, and Clerk instructed to prepare by-law to raise by debenture Brooke township's share of cost of repairs.—Carried.

Annett—Johnston, that the Clerk be instructed to prepare a by-law for submission at next meeting, to raise the amount chargeable to unperformed Statute Labor, from \$1.00 per day to \$1.50 per day.—Lost.

McCabe—Annett, that the clerk prepare a by-law to authorize an additional loan of \$10,000, by corporation notes, in such sums as needed.—Carried.

McCabe—McCabe, that Council do now adjourn to meet in the Village of Inwood, on Saturday the 30th August 1913.—Carried.

W. G. WILLOUGHBY, Clerk.

Woods (H.), J. B. Yeates (H.), R. S. Young (H).

CANADIAN WINS KING'S PRIZE

Gets Gold Medal and Gold Badge at Bisley

BISLEY, England, July 26.—Private Hawkins, of Canada, to-day won the King's Prize for rifle shooting, carrying with it the National Rifle Association gold medal and gold badge and \$1,250 in cash.

Private Hawkins' aggregate was 330 points out of a possible 355.

Sergeant Ommundsen, a Scottish territorial, was the winner of both the silver and bronze medals. He won the King's prize in 1901 and the silver medal in 1906.

The competition, which is open only to members and retired members of the volunteer forces of the British Empire, is fought in three stages. The winner of the first stage receives a bronze medal, of the second stage the silver medal, and of the third stage, in which only 100 contestants are left, the gold medal.

The first stage is fired at three ranges, 200, 500 and 600 yards, seven shots at each distance. The second stage, in which the leading 300 from the first stage participate, consists of 20 shots at 600 yards, and the third stage is shot off at distances of 800, 900 and 1,000 yards, with 10 shots at each distance.

Private William A. Hawkins, who won the King's prize, was born near Bowmanville 28 years ago, is married, but has no children. His parents were Irish. He has been in the Forty-eighth Highlanders nine years. He rose to the rank of sergeant, but his work as a line-man in the employ of the Hydro-Electric Commission took him so much out of town that he resigned his stripes and joined another company in the same regiment. He has worked as a street car conductor, a fireman and latterly with the Toronto Lunch Company. Up to this year he had not greatly distinguished himself as a rifle shot. When the list of the Bisley team for this year was made up he was 27th and got on the 20 only through the resignation of others. After getting his place on the 20 he put in a lot of practice and was shooting well.

GOOD BLOOD THE SECRET OF HEALTH

To be Healthy You Must Keep the Blood Rich Red and Pure

Dr. Williams' Pink Pills are useful in any disease caused by thin or impure blood, and the list of such diseases is astonishingly large. Anemia literally means a condition in which the blood is thin and watery. In rheumatism the blood becomes thin more rapidly than in any other disease. After an attack of la grippe or acute fevers the blood is always thin and impure, and Dr. Williams' Pink Pills are the tonic to use during convalescence. When the blood is poor and thin the stomach suffers. The food ferments, gas and certain acids form and the trouble is pronounced indigestion or dyspepsia. The nerves receive from the blood all of their nourishment to keep up their energy and repair waste or damage. Some forms of paralysis are caused by thin blood. The progress of locomotor ataxia is stopped in many cases when the blood is made pure, rich and red. This is only a partial list of the troubles having their origin in impure, watery blood, and all can be cured by supplying the blood with its missing constituents.

This is exactly what Dr. Williams' Pink Pills do. Their chief mission is to make rich, red blood, and this good blood reaches every organ and every nerve in the human body, thus driving out disease and bringing renewed health and strength to thousands of weak, despondent people.

Ask your neighbors. There is not an inhabited corner in Canada where Dr. Williams' Pink Pills have not restored some sufferer, and all over this country there are grateful people who do not hesitate to say they owe health—in some cases life itself—to this great medicine. If you are ailing begin to cure yourself to-day by using Dr. Williams' Pink Pills.

Sold by all dealers in medicine or by mail at 50 cents a box or six boxes for \$2.50 from the Dr. Williams' Medicine Co., Brockville, Ont.

Leamington home grown peaches and melons were on the market July 23rd. Early.

At a meeting of the Forest Fruit Growers' Association, reports were presented from the different growers on the probable crop. Apples will be much lighter than was expected, there being possibly not more than 5,000 barrels suitable for shipping. In peaches and plums, however, the prospects are that 20,000 baskets of the former and 30,000 of the latter will be shipped from that point, there being a bumper crop. Tomatoes will also be shipped in large quantities before the canning commences.
