BIG POWER SCHEME.

TORONTO, Jan 18.—The Niagara Falls Park Commissioners held a lengthy meeting on Saturday discussing the application for a franchise for power development made by Wm. MacKenzie, H. M. Pellatt and E. Nicholls. The reports of the engineers on the applicants and of the two existing companies who oppose the application were considered.

No announcement was made but No announcement was made, but there is reason to believe that the commissioners will advise the government to grant the application. The new company propose to develop 125.000 horse power, especially to supply Toronto and the adjacent portion of the Province.
