 **A LARGER EDITION OF THIS BOOK, \$1 50.**

The story seems to resemble the vast river along whose course its scene is laid, gathering strength, intensity, and volume as it proceeds, until at last there is laid before the reader's imagination a picture of danger, terrible escape, and thrilling adventure so striking that we know not where to find a parallel for its absorbing interest. . . . For deep dramatic interest we know of nothing in the whole range of modern travel equalling the scenes here described.—*Daily News*, London.
