

NOXON COMBINED REAPER & MOWER. The New Chatham Wagon

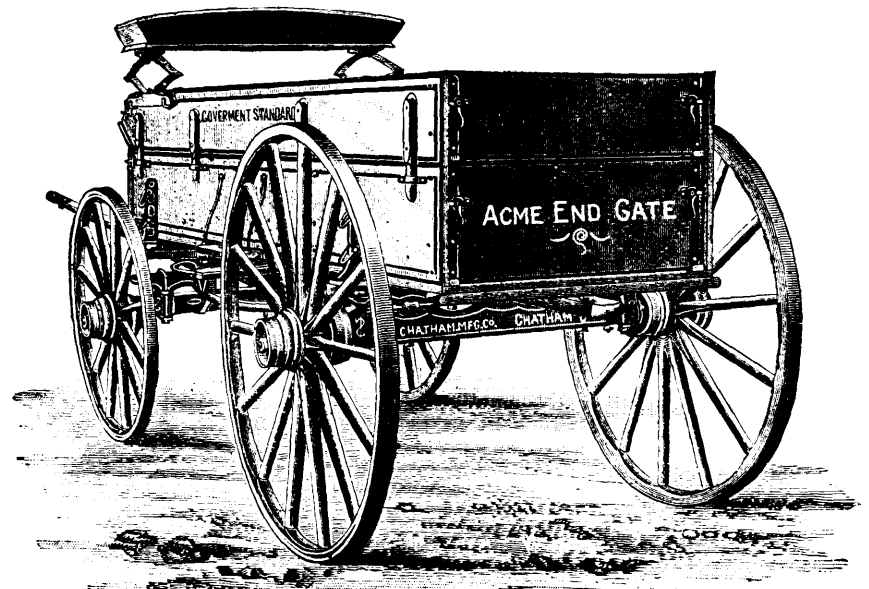

The only two drive wheels, and 5 rakes reaper on the market. The only one which delivers the sheaf automatically every 2nd, 3rd, 4th, 5th or 6th rake. The only one that will reap at uniform height on rough as well as smooth ground. The only one that has no weight on the horses' neck. The only one that turns at corners without stopping the horses. The only one that works upon very soft wet ground. The only machine that will mow and reap to perfection. The lightest running mower and reaper on the market. As a Mower it cannot be surpassed and as a Reaper it has no equal.

Buchanan's Flexible Spring Steel Picket & Wire Fence

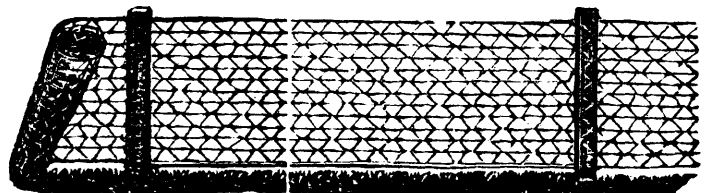

This Fence, as shown in above cut, is very handsome, strong and durable, should last a life-time and will turn any kind of stock. It is constructed that it will remain tight and straight in all kinds of weather, a feature which no other maker has successfully accomplished. It is perfectly flexible and cannot be bent or kinked out of shape, and will stand more abuse or rough usage than any other fence in the market. It is our aim to place this fence on the market at a less price than any first-class fence has ever been sold at. Send for circulars, giving full description and prices to
