EVERY LADY DESIRES TO BE BEAUTIFUL. Many would be more beauti-
ful, but from some slight defect their charms are destroyed. Superfluous Hair mars more faces
than any other cause. To remove this blemish has been until recently a painful and dangerous
operation, requiring much skill and practice, oftentimes resulting in horrible accidents, and everlasting
scars and disfigurements. Science has at last discovered a wonderful remedy which
positively removes hairy growth from the face, neck, arms, moles, or any other part of the
body without the slightest pain or injury.

DISSOLVENE is a pure fluid endorsed by prominent physicians. It is absolutely ef-
fective, removing all trace of hair on the first application. It penetrates
to the papilla and destroys the hair cell.

To apply, simply sop on with a piece of cotton, leaving from three to five minutes, then wipe
off and the hair will have disappeared. No knife, no cold cream, no scars or red marks, no danger,
no horrible electric needle.

\$500 will be paid for any trace of acid, caustic, or other poisonous substance injurious to the
skin, found in this preparation. Our Circulars fully explain this wonderful discovery, and we
will mail them free for the asking. Parties desiring agencies, write for terms.

Price, Two Dollars per bottle, asks to all. We will mail a small sample sufficient
for trial for 25 cents. GET THE BEST.
