To the Editor of the Monthly Record:—

PERMIT me to mention that the sum of \$3 placed opposite River John congregation in the Foreign Mission account, should have added to it \$5.50, which latter sum is acknowledged in its proper place in the July number, and which, if it appeared along with the other, would make the amount collected during the past year \$8.50, not too large a sum certainly, but still coming nearer the mark than \$3.

Yours, &c.,

Manse, River John, 11th Aug., 1870.

ROBERT McCUNN.

RECEIVED, with thankfulness, \$5 for our Home and \$5 for our Foreign Missions, from Joseph Hart, Esq., of Baddeck, C. B. The above was an unexpected and hearty donation, which may the Great Head of the Church accept and bless.—Matthew xxv. 40.

A SPECIALLY interesting letter from Mr. Robertson has arrived just too late for the present issue, but will appear in our next.

RESIGNATION OF REV. DR. MACDUFF, OF GLASGOW.—This reverend gentleman is the pastor of the second most influential congregation in Glasgow of the Established Church of Scotland, and has long been favorably known for his writings on religious subjects. It will take many in Scotland with surprise to learn that at a meeting of his office-bearers on the 5th inst., a letter was read from him intimating his resignation of the pastorate of the congregation. In his letter Dr. Macduff states that his resignation has been the subject of long and anxious consideration on his part, and has been induced by the success of his writings, suggesting another mode of service in the cause of Christ. The announcement made to the session was received with deep regret, but the explicit terms in which the Doctor expressed his resolution forbade any attempt to lead him to alter his decision."
