H. B. K. CO.

What has grown to be practically a new wholesale business in Winnipeg, has been established here by S. D. E. Fernie, western representative of the Hudson's Bay Knitting Co., of Montreal. About a year ago, Mr. Fernie put in a small jobbing stock here. This move proved so successful that the stock has been doubled this year and an entire flat in the Hutchings' block, Main street, is now occupied. Mr. Fernie remains in charge of the business here, and several travellers are on the road in the West with the samples. The Hudson's Bay Knitting Co. manufacture sturdy lines of warm clothing especially suitable for this climate, including mitts, gloves, sheepskin lined coats, moccasins, felt and fur lined shoes and slippers, etc.

There has been an advance of 1 cent per pound in sole leather at Toronto.
