RELIEF.

I did so, and one bathing cured them. Some time afterwards my wife's eyes got sore, and she used it with the same effect. I gave some to a friend who had Erysipelas for years, and after bathing with it great benefit was derived.

I am, gentlemen, Yours very truly, F. S. DOYLE. Sworn to before me. ROBERT DILL, J. P.

Consumption, Asthma, Bronchitis, Deafness, Croup, etc. Consultation & Advice FREE. 10 p. Pamphlet FREE. Address DR. W. W. CASE, 933 Arch Street, Philadelphia, Pa. It has written name this paper. Dr. Case's Carbamate of Tar Inhalant. PARKER HOUSE, Halifax, 17th March, 1881. To the HOLMAN PAD Co., Halifax, N.S.: Gentlemen,—I suffered for several years, as is well known to all my friends, from dizziness and neuralgia in the head, and a complication of diseases. I have tried everything that money could purchase without benefit, but I gradually became worse, until I gave up all hope of recovery, and was confined for months to my room. Your Pads and remedies have restored me to perfect health and strength, and I feel that it is only an act of justice that I write you this, and I shall always recommend them to all my friends. Yours very gratefully, JOHN CHICKMAN, Landlord Parker House.

Consumption and Wasting Diseases.

L. de Bremon, M.D., Knight of Legion Honor, in his work on Consumption, says: Dr. CHATELAIN, of Paris, never mixes Iron with either of the Alkaline, Lime and Soda Hypophosphites Salts. He considers the mixture of Hypophosphites objectionable, preferring in fact the Salts separate, giving them alternately according to the Physiogenic or Pathogenic symptoms produced by either. He also says that the Hypophosphite Salts as sold are generally impure.

EAGAR'S PROSPHOLEINE contains PURE HYPOPHOSPHITES with NORWAY COD LIVER OIL only. It is free from Iron or any other chemical which will account for its superiority to all other preparations offered for Wasting Diseases. Read below the certificate of Dr. SLAYTER, DATED JANUARY 1881.

The proprietor also has certificates from leading physicians in Toronto, St. John, Halifax, &c., of not only EAGAR'S PROSPHOLEINE, but also of the greatest preparation now in vogue, Phosgene or Cream of Tartar. Second Certificate from Dr. SLAYTER, Halifax, Jan. 1881. Since giving you my last certificate I have had many opportunities of further testing your Cod Liver Oil Cream, and as well of comparing its action with the EMULSION AND PREPARATIONS OF OIL IN THE MARKET. I may state that I BELIEVE IT TO BE THE BEST PREPARATION NOW OFFERED TO THE PUBLIC, the drugs and oil being of the very finest quality, while the facilities and machinery used for mixing them are of the most perfect kind. I have no hesitation in stating that where Oil is indicated EAGAR'S CREAM WILL BE FOUND TO BE EVERYTHING THAT IS CLAIMED FOR IT BY ITS PROPRIETOR.

W. B. SLAYTER, M. D., etc., etc. M. F. EAGAR, Chemist, 157 Hollis St., Halifax, N. S.

WICKED FOR CLERGYMEN.

"I believe it to be all wrong and even wicked for clergymen or other public men to be led into giving testimonials to quack doctors or vile stuffs called medicines, but when a really meritorious article is made up of common valuable remedies known to all, and that all physicians use and trust in daily, we should freely commend it. I therefore cheerfully and heartily commend Hop Bitters for the good they have done me and my friends; firmly believing they have no equal for family use. I will not be without them." Rev. —, Washington, D. C.

OUR CHILDREN.

Why compel them to take those vile and nauseating medicines, when PUTNER'S EMULSION is so palatable and nice, and produces better results than any other. Most astonishing reports are daily recorded in favor of its cures, whose other preparations of the kind have failed, and then been cast aside in disgust. FOR DELICATE WOMEN, who are suffering from Anemia and Weakness caused from Over-Nursing, PUTNER'S EMULSION is just what is required to give tone to the system, and will immediately build them up in health and strength.

MOTHERS! MOTHERS! MOTHERS!

Are you disturbed at night and broken of your rest by a sick child suffering and crying with the excruciating pain of cutting teeth? If so, go at once and get a bottle of MRS. WINSLOW'S SOOTHING SYRUP. It will relieve the poor little sufferer immediately—depend upon it: there is no mistake about it. There is not a mother on earth who has ever used it, who will not tell you at once that it will regulate the bowels, and give rest to the mother, and relief and health to the child, operating like magic. It is perfectly safe to use in all cases, and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States. Sold everywhere at 25 cents a bottle.

THE COMMON EXPRESSIONS, "I feel too dragged," "My food don't digest," "I don't feel fit for anything," which we so often hear during the Spring and early Summer months, are conclusive evidence that the majority of people require at that season especially a RELIABLE medicine that will strengthen the organs of digestion, stimulate the circulation of the blood, and "tone up" the debilitated constitution. HARRINGTON'S "QUININE WINE AND IRON," taken according to directions, produces buoyancy of spirits, vigor of mind, and gives lasting strength to the whole system.
