# HISTOGENETIC SYSTEM OF MEDICINE

HOW HE WAS RESCUED

*All diseases successfully treated by the new system of pure and tasteless medicine. So-called incurable cases preferred.*

*THEORY—Rebuilding the diseased cells and tissues of the body with the same proximate principles and so on, which are normally prepared in the body by the glands.*

AFTER thirty years of suffering. A life of misery changed in one month to one of happiness, and only cost him a few dollars. His prayer is answered and his gratitude is unbounded. The following is the story from his own pen, with details omitted. Listen: "With unqualified joy I declare that during my long years of ill health I never experienced such benefit from any remedies I used. Thirty years ago my health collapsed. Tremblings, dizziness, nervousness, palpitation, depression of spirits, unable to study, intellect blighted. God only knows what I endured all those years. I had to abandon my profession. I found I was reaping the harvest of youthful follies. I tried all the patent medicines of the day and specialists of every school, but was never cured. I had about given up all hope. I heard of the "Revolution in Medicine," by Dr. J. Eugene Jordan. I secured it and read it as best I could. I tried the remedies. I thank God I was ever directed to them. It was providential. Low spirits all gone, can sing all day, light-hearted, life a pleasure, head splendid, can read with comfort. Strong medicines had injured me. These build up and bring joy to the heart. I believe God has raised up Dr. Jordan for the benefit of the suffering. This is no "blow" to help the Histogenetic Medicine Association. I speak what is true. I advise all my acquaintances to try these grand remedies. My wife has used the rheumatism treatment and it is curing her." Gratefully,  
JOHN BURLANGETT.
