CONTRACTOR OF NEW YORK, FOR OFF THE LIFE OF THE B. VIRGIN MARY, OF ERR MOST CHASTE SPOUSE,

ST. JOSEPH AND HOLY PARENTS,

ST. JOACHIM AND ST. ANNE. Illustrated by fine Steel Engravings, and printed on superfine paper, with Chapter Headings, Borders, and Initial Letters, designed and engraved expressly for

this work. The Life of the Blessed Virgin is by the Rt. Rev. Romuald Gentilucci, Chamberlain to Pope Pius IX., is dedicated to, and honored with the suffrages of His

is dedicated to, and honored with the suffrages of His Holiness, and approved by the Master of the Sacred Palace.

Gentiluci's work will ever be remarkable for its unction and beauty of style, no less than for the deep knowledge which it displays of the writings of the Holy Fathers; and this the monuments of ecclesiastical history that cap, in any way throw light on the Life of the Immaculate Mother of Our Lord, as handed down in the loving tradition of the faithful from the age in which shelived.

from the age in which shellived. The Bife of Saint Joseph—no unit companion for the elegant work of Gentilucci-is from the pen of Father Vallejo, a Mexican Jesuir of the last century, a work approved by the ecclesiastical authorities in the Roman States; and frequently reprinted.

CONDITIONS: The Life of the Blessed Virgin, Her Holy Spouse, and Parents, will be published in semi-monthly parts of 48 pages each, with a Steel Engraving and several Wood Cuts in each number, and will, when complete, form a volume of nearly 1000 pages.

OBSERVATIONS OF THE PRESS: The work having received the approbation of His Holiness, himself; as well as of the illustrious Archbishop Hughes, it only remains for us to say; that it appears to be gracefully translated into our language, and the style in which it is produced, is really superior, both as to its general appearance, as well as to the chasteness of the design, and execution of the illuminated borders which adorn every page of the work.—London Register and Catholic Standard.

No other work of our day, on the same subject, can be compared to it. It is unrivalled for beauty of style and depth of erudition. It is the offering of a learn-ed and devoted son of the Blessed Virgin, who enjoys the confidence and friendship of our most Holy Father, to whom the work is dedicated. We are not more edified at the piety of the author, than astonished at the wonderful erudition displayed in the book. The translator has performed his task admirably.-Pittsburg Catholic.

We cannot too highly recommend it to the consideration of our readers, whether we regard the intrinsic value of the work itself, or the beauty and exquisite ensemble of its getting up.—Truth Teller.
Profusely illustrated with Engravings and vignettes, this work is brought out in such an elegant style, as to make it, exclusive of its literary merit, a fitting

library companion to the Bible of the same enterprising publishers.—Detroit Vindicator.
This work is one of devotion and merit. We do not know who translated it, but it seems better than

average translations.—Freeman's Journal.

This work, translated from the Italian, and apparently well translated, is by an eminent author, is dedicated by permission to his Holiness Pius IX., and is spoken of in very high terms by competent judges. As far as we have seen it, we like it very much, and think it must prove a great favorite with the children of Mary and all devout Catholics.—Brownson's Re-

INDUCEMENT: Each subscriber to this splendid work will receive with the last number a magnificent Steel Engraving, suitable for framing, of the MOST REV. JOHN HUGHES, D.D.,

ARCHBISHOP OF NEW YORK.

Canvassers will find it to their advantage to ad-

dress the publishers.

A GREAT HISTORICAL WORK: THE CATHOLIC CHURCH

IN THE UNITED STATES;

A Sketch of its Ecclesiastical History by Henry de Courcy, author of "Les Servantes de Dieu en Canada;" translated and enlarged by John Gilmary Shea, author of "The Discovery and Exploration of he Mississippi," &c., &c.

POSSESSING great industry and rare talent for historical narration, Mr. de Courcy has grouped together a most admirable sketch of Catholicity in Maryland, Virginia, and the Middle States, from the settlement to the present time; embracing notices of the origin of religious houses and of emigrant Catholics. At the close is a full account of the Mission of the Nuncio, Archbishop Bedini, and an exposure of the slanders decreed against him.

A Work for every Cutholic family; it has been encouraged by the suffrages of many Bishops. REMARKS OF THE PRESS :

It would be difficult for us to indicate with what

pleasure we welcome this important addition to our Catholic literature.—Truth Teller. Mr. de Courcy has gathered together in these pages

many precious documents towards the future history of the Church in this country.—Freeman's Journal. The author's and editor's names are well known to Catholic literature.—Buffalo Sentinel.

This work, next to the volumes of the Rt. Rev.

Drs. Spalding and Bayley, is the most valuable contribution yet made to the history of the Catholic Church in the United States.—Pittsburgh Catholic.

This is a most valuable book.—Catholic Herald.

This book is written in good temper, and, confining itself to facts, avoids personalities and overwarmth of expression.—New York Daily Times.

Mr. de Courcy has here rendered another important service to his co-religionists in the United States .-True Witness.

AYER'S Cathartic Pills,

CLEANGE THE BLOOD AND CURE THE SIGE. Invalids, Fathers, Mothers, Physicians, Philanthropists, read their Effects, and judge of their Virtues.

FOR THE CURE OF If eadache, Sick Headache, Foul Stomach.

Pringured, Pa., May L. 1856.

Dr. J. C. Aten. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleams at once. If they will cure others as they do me, the fact is worth knowing.

Bilious Disorders and Livet Complaints.
DEPARTMENT OF THE INTERIOR, WASHINGTON, D. O. 7 Feb., 1856.
SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot hositate to say they are the best cathartle we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious diseases obstinate that it did not readily yield to them.

Praternally yours,

Desentery, Relay, and Worms.

Dysentery, Relax, and Worms.

Post Office, Harmand, L.Co., Mient, Nov. 16, 1855.

Dr. Aven: Your Pills are the perfection of medicine. They have done my wife more good than I can tell you. She had been sick and pining away for months. Went off to be doctared at great expense, but got no better: She then commenced, taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it bad, and my wife cured him with two doese of your Pills, while others around ue paid from five to twenty dollars doctors' bills, and lost much time, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here. GEO. J. GRIFFIN, Postmater.

Dr. Arrn: Your Pills are the paragen of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incumble for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

Puller House, Savannan. Ga., Jan. 6, 1856.

Honored Sm.: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on exeruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best physicians, the disease grew worse and worse, until, by the advice of your excellent agent in Bultimore, Dr. Mackouzle, I tried your Fills. Their effects were slow, but sure. By persevering in the use of them I am now entirely well.

We need not speak to the public of its virtues. Throughout every town, and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country on this continent without some personal experience of its effects; and fewer yet the communities any where which have not among them some living trophy of its victory over the subtle and dangerous diseases of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the insidious enemy that steals upon them unprepared. We have abundant grounds to believe the Chirker Perforat.
