"He had kept

The whiteness of his soul, and so men o'er him wept." He united all the simplicity and cordiality of Oliver Goldsmith to much of the fiery energy and manly zeal of Robert Burns. His life does not disappoint the reader, who turns from the works to their author : it is indeed, the most delightful and harmonicus of all his works. From his childish sports and stories by the Shannon, until his solemn and enviable death beside "the pleasant waters" of the Lee, a golden thread of rec-titude runs through all his actions. A literary adventurer in London at nineteen, with a Spanish tragedy for his sole capital, famous at thirty, a religious five years later, a tenant of the Christian Brothers Cemetery at thirty-seven—the main story of his life is soon told. Over its details, we are confident, many a reader will fondly linger, and often return to con-template so strange and so beautiful a picture. Out of his secret heart they will find sentiments issuing not unworthily of St. Francis de Sales, while from his brain have sprung creations of character which might have been proudly fathered by Walter Scott. Canvassers wanted in every part of the United States and Canada to Sell this Work.

The Press have been unanimous in praise of the

"The book is one of the most interesting, instruc-tive, and edifying that have been produced in our times, and every Catholic will read it with devout thenkfoiness to the Almighty Cod, the har have thankfulness to the Almighty God, that he has been pleased to raise up, in this faithless age, a layman who can write so edifying a work. It is marked by rare learning, fine artistic skill, and correct taste; and breathes the firmest faith and the most tender picty. His work is as refreshing as springs of water in a sandy desert....Let every one who can read purchase and read this beautiful Life of one of the most lovely and most favored Saints that have ever been vouchsafed to hallow our earthly pilgrimage." -Brownson's Review.

"The whole introduction shows the hand of a master, and it loses nothing in Mrs. Sadlier's racy and elegant English. The exquisite character of 'the dear St. Elizabeth,' (as the good Germans have at all times styled her), is brought out with a clear-ness, a tenderness, and a vigor, which bring tears from the heart.
