## NOTICE PARTIES ABOUT TO FURNISH.

THE SUBSURIBER, thankful for the very liberal patronage afforded to him during the jast twelve years in business, wishes to inform them that notwithstanding his determination to give up the retail Furniture business this Spring, partly for want of being able to procure premises large enough to carry on the Wholesale and Retail Business; but having surmounted that difficulty by the purchase of that large lot of ground at the entrance of St. Joseph Street, second street from McGill Street, on which he is about to crect extensive premises, in every way adapted to his largely increasing trade, and attached to which he will have large Workshops, where be will be enabled to attend to the largest orders with which he may be favored. The new Store will be similar in construction and style to the one he has occupied for the past eight years, but double the size, being 60 ft. front, by 97 feet deep, and is to be finished by the 1st of September. He has now released his old stand for another season, where will be found one of the Largest and best assorted Stocks of FURNITURE ever on view in Montreal, and which will be all finished and completed by the 1st of April, part of which has been purchased for gold in Boston and New York at the great gold discount, which will enable him to sell such Goods at less than Boston and New York prices.

## -- ALSO,---

A large assortment of BLAOK WALNUT FURN. TURE, manufactured expressly to his order in Upper Cauada; and from the large quantity ordered and by taking advantage of Cash Trade at this dull season of the year, can be sold below anything yet offered. He intends to mark his Goods this year at a much less percentage of profit and by so doing to double his already very large sales. In order to make room for the new Stock, the balance of his old Stock will be clearep out at Cost up to the 10th of April; and to avoid selling at auction, he will offer the above inducements to parties in want of Goods in his line. A great quantity of goods, commonly called old shopkeepers', but nothing the worse, will be sold regardless of prices. All warranted to be as represented,

and delivered free of charge. Please call at 244 Notre Dame Street, and avail yourselves of the present opportunity to get decided bargains;

OWEN MCGARVEY, (Wholesale & Retail Furniture Warehouse,) No. 244 Notre Dame Street. April 10, 1863. .

Syphilitic Infections, Mercurial Diseases, Female Weaknesses, and, indeed, the whole series of complaints that arise from impurity of the blood. Minute reports of individual cases may be found in AYER'S AMERICAN ALMANAC, which is furnished to the druggists for gratuitous distribution, wherein may be learned the directions for its use, and some of the remarkable cures which it has made when all other remedies had failed to afford relief. Those cases are purposely taken from all sections of the country, in order that every reader may have access to some one who can speak to him of its benefits from personal experience. Scrofula depresses the vital energies, and thus leaves its victims far more subject to disease and its fatal results than are healthy constitugreatly shorten, the average duration of human life. The vast importance of the state tions has led us to spend years in perfecting a remedy which is adequate to its cure. This we now offer to the public under the name of ATER'S SAREAPARILLA, although it is composed of ingredients, some of which exceed the best of Sarsaparilla in alterative power. By its aid you may protect yourself from the suffer-ing and danger of these disorders. Parge out the foul corruptions that rot and fester in the blood; purge out the causes of disease, and vigorous health will follow. By its peculiar virtues this remedy stimulates the vital functions, and thus expels the distempers which lurk within the system or burst out on any part of it. We know the public have been deceived by

many compounds of Sarsaparilla, that promised much and did nothing; but they will neither be deceived nor disappointed in this. Its virtues have been proven by abundant trial, and there remains no question of its surpassing excellence for the cure of the afflicting diseases it is in-tended to reach. Although under the same name, it is a very different medicine from any other which has been before the people, and is far more effectual than any other which has ever been available to them.

## AYER'S

## CHERRY PECTORAL,

The World's Great Remedy for Coughs, Colds, Incipient Consumption, and for the relief of Consumptive patients in advanced stages of the disease.

This has been so long used and so universally known, that we need do no more than assure the public that its quality is kept up to the best it ever has been, and that it may be relied on to do all it has ever done.
