

Who is N. H. Downs?—He is, or rather, was a public benefactor, a philanthropist. He is now dead, but he has left behind him a monument more lasting than brass or marble. His memory is enshrined in the hearts of a grateful people, and his Balsamic Elixir is or ought to be a household treasure in every family. It is a certain cure for coughs and colds. See advertisement in another column.

A REVOLUTION IN CATHARTIC TREATMENT.—Thousands of persons regard aperient pills as a species of medicine that destroy their own efficacy by repetition. In other words, they suppose that, however moderate may be the number taken at first, there is no escape from wholesale doses in the end. BRISTOL'S SUGAR-COATED PILLS, however, are a grand exception—the only one—to this general rule. The doses are always moderate, four being the usual number of pills for an adult, and six the largest dose. The effect they produce is permanent, and it is not necessary to continue them, in order to prevent a relapse. For constipation, sick and nervous headache, bilious disorders, chills and fever, stomach complaints, general debility, colic, and the irregularities of the female system, they are a specific cure. This may be received as a rule to which there are no exceptions. They are put up in glass vials, and will keep in any climate. In cases arising from, or aggravated by impure blood, Bristol's Sarsaparilla should be used in connection with the Pills.

THAT ENEMY OF MANKIND, is Consumption! can be cured, but it is far better to prevent the cruel disease from fastening itself on the system, by the timely use of a remedy, such as Dr. Wistar's Balsam of Wild Cherry affords.

COMPLEXION.—It is an impossibility for any person afflicted with a diseased liver, or with any disorder of the digestive organs, to have a good or clear complexion. "HOFFLAND'S GERMAN BITTERS" will remove all disease from the liver and digestive organs, and, by this giving health and strength to the skin, will in so many. These Bitters are prepared by Dr. C. M. Jackson, Philadelphia, Pa., and sold by all druggists and dealers in medicines. John F. Henry & Co., General Agents for Canada, 303 St. Paul St., Montreal, C.E.

HOTSTETTER'S BITTERS—If the stomach is wrong all is wrong. It is the balance wheel of body and mind. The dyspeptic is the most miserable of human beings. The first thing necessary to cheerfulness, to healthful sleep, to bodily strength, to clearness of intellect, to the enjoyment of life, is a sound digestion. If the stomach does not perform its duty, discipline it into regular and healthy action by the use of HOTSTETTER'S STOMACH BITTERS, the greatest digestive stimulant ever administered. It is mild and pleasant; it cheers, invigorates, and gives elasticity and energy to the whole system. Its action upon the coats of the stomach is renovating in a wonderful degree. Use it for a week and you will find the sense of oppression after eating, and emptiness and faintness between meals, which are the distinguishing features of dyspepsia, entirely relieved, the bowels regular, the appetite good and the pulse firm and even.

N. H. DOWNS' VEGETABLE BALSAMIC ELIXIR.

A CERTIFICATE WORTH A MILLION. An Old Physician's Testimony. READ: Waterbury, Vt. Nov. 24, 1859.

Although I do not like the practice of Physicians recommending, indiscriminately, the patent medicines of the day, yet after a trial of ten years, I am free to admit that there is one medicine before the public that any Physician can use in his practice, and recommend to the public with perfect confidence; that medicine is Dr. N. Downs' Vegetable Balsamic Elixir.

I have used it myself with the very best success, and now when ever I am troubled with a Cough or Cold, I invariably use it. I can cheerfully recommend it to all who are suffering from a Cough or a Cold, for the Croup, Whooping-Cough, & all diseases tending to Consumption, and to the Profession as a reliable article. I am satisfied of its excellence beyond a doubt, having conversed personally with the Rev. N. B. Downs about it. He informed me of the principal ingredients of which the Elixir is composed, all of which are Purely Vegetable and perfectly safe.

REMARKABLE TESTIMONY!

Messrs. PICAULT & SON, Chemists and Druggists, No. 42 Notre-Dame Street, Montreal, have received the following testimony: MONTREAL, C. E., July 31, 1863.

Messrs. Doctors Picault & Son: Sirs,—This is to certify that for five years I was troubled with general debility, unable to perform any household duties, and suffering violently from palpitation of the heart.

I was constantly under the influence of a chilly fever, and experiencing awful pain in my whole body. I tried every thing—sought medical advice—but all to no avail. Twelve months ago I was induced to try BRISTOL'S SARSAPARILLA, and before I had taken two bottles, experienced a decided improvement; but my means not allowing me to continue its use, I was becoming worse again, when you kindly gave me a few bottles. It was the needed remedy, and its effect on my system was wonderful. I am now another woman; I feel well, eat well, and sleep well, and do all my work without the least fatigue. I cannot too strongly recommend this invaluable medicine to the suffering, and I have not the least doubt they will derive from it the same benefit as I have. (Signed) ANGLIE DANIEL, Wife of CELESTIN COURTON, 95 Visitation Street. I certify the above is the truth. CELESTIN COURTON. Sworn before me this thirty-first day of July, 1863. J. BOULANGER, Justice of the Peace.

WISTAR'S BALSAM OF WILD CHERRY. Has been used for nearly HALF A CENTURY. With the most astonishing success in Curing Coughs, Colds, Hoarseness, Sore Throat, Influenza, Whooping Cough, Croup, Liver Complaint, Bronchitis, Difficulty of Breathing, Asthma, and every affection of THE THROAT, LUNGS AND CHEST, including even CONSUMPTION.

There is scarcely one individual in the community who wholly escapes, during a season, from some one, however slightly developed, of the above symptoms—a neglect of which might lead to the last named, and most to be dreaded disease in the whole catalogue. The power of the medicinal gum of the Wild Cherry Tree over this class of complaints is well known; so great is the good it has performed, and so great the popularity it has acquired. In this preparation, besides the virtues of the Cherry, there are commingled with it other ingredients of like value, thus increasing its value ten fold, and forming a Remedy whose power to soothe, to heal, to relieve, and to cure disease, exists in no other medicine yet discovered. CERTIFICATE FROM L. J. RACINE, Esq., of the Minerva:— Montreal, C.E., Oct. 20, 1858. S. W. Fowle & Co., Boston—Gentlemen.—Having experienced the most gratifying results from the use of Dr. Wistar's Balsam of Wild Cherry, I am induced to express the great confidence which I have in its efficacy. For nine months I was most cruelly afflicted with a severe and obstinate cough, accompanied with acute pain in the side, which did not leave me, summer or winter. In October the symptoms increased alarmingly, and so reduced was I that I could walk but a few steps without resting to recover from the pain and fatigue which so slight an exertion occasioned. At this juncture I commenced taking the Balsam, from which I found immediate relief, and after having used four bottles I was completely restored to health. I have used the Balsam in my family and administered it to my children with the happiest results. I am sure that such Canadians as use the Balsam can but speak in its favor. It is a preparation which has only to be tried to be acknowledged as the remedy par excellence. Your obedient servant, L. J. RACINE. CURE FOR WHOOPING COUGH. St. Hyacinthe, C.E., Aug. 21, 1859. Messrs. S. W. Fowle & Co., Gentlemen.—Several months since a little daughter of mine, ten years of age, was taken with Whooping Cough in a very aggravated form, and nothing we could do for her seemed in any way to relieve her suffering. We at length decided to try a bottle of your Dr. Wistar's Balsam of Wild Cherry. In three hours after she had commenced using it, she was greatly relieved, and in less than three days was entirely cured, and is now well. I have since recommended the Balsam to many of my neighbors, who have used it, and in no case have I known it fail of effecting a speedy cure. You are at liberty to make any use of the above you think proper. If it shall induce any body to use your Balsam, I shall be glad, for I have great confidence in it.—Yours, P. GUILTE, Proprietor of the Courier de St. Hyacinthe. CERTIFICATE FROM A WELL-KNOWN CITIZEN OF CORNWALL. Cornwall, C.W., Dec. 29, 1859. Messrs. S. W. Fowle & Co., Boston—Gentlemen.—Having experienced the beneficial results of Dr. Wistar's Balsam of Wild Cherry, in my own person and with other members of my family, in cases of severe coughs and colds, I unhesitatingly give you my testimony, believing it to be the remedy par excellence for all diseases of the throat and chest, and would sincerely recommend it as such.—Yours, &c., JOS. TANNER. FROM A HIGHLY RESPECTED MERCHANT AT PRESCOTT, C.W. I with pleasure assert that Dr. Wistar's Balsam of Wild Cherry, is, in my belief, the best remedy before the public for coughs and pulmonary complaints.
