BRITISH TRADE ASSOCIATION HERE

The Canadian Association of British Manufacturers and their representatives has been established with branches at Toronto and Montreal. Similar associations have existed in Australia and New Zealand for several years. The objects of the association as set forth in the constitution are as follow: "To further the interests of British trade throughout the Dominion of Canada and to affiliate with and work in concert with kindred associations in other centres of the Dominion having similar objects." Provisional committees have been appointed to draft the constitution of the association.

The government of the association consists of a supreme council and each branch of the association will have its own local executive council. The supreme council will consist of

the chairman and one councillor from each local executive. The association will include British subjects only: (a) British manufacturers and wholesale exporters from the United Kingdom; (b) representatives and agents of British manufacturers and wholesale exporters from the United Kingdom.

No representative or agent of British manufacturers who enters into any agency agreement with, or in any way represents any manufacturers or wholesale exporters whose principal works or place of business are situated in any country deemed by the supreme council to be or to have been hostile or unfriendly, will be entitled to membership of the association. Assistance in the formation of the new association has been rendered by Mr. G. T. Milne and Mr. F. W. Field, the British government trade commissioners in Canada.
