

Taken away
—sick headache, bilious headache, dizziness, constipation, indigestion, bilious attacks, and all derangements of the liver, stomach and bowels. It's a large contract, but the smallest things in the world do the business—Dr. Pierce's Pleasant Pellets. They're the smallest, but the most effective. They go to work in the right way. They cleanse and renovate the system thoroughly—but they do it mildly and gently. You feel the good they do—but you don't feel them doing it. As a Liver Pill, they're unequalled. Sugar-coated, easy to take, and put up in vials, and hermetically sealed, and thus always fresh and reliable. A perfect vest-pocket remedy, in small vials, and only one necessary for a laxative or three for a cathartic.

They're the *cheapest* pill you can buy, because they're *guaranteed* to give satisfaction, or your money is returned.

You only pay for the good you get.

That's the *peculiar* plan all Dr. Pierce's medicines are sold on, through druggists.

CANADIAN INDIAN RESEARCH AND AID SOCIETY.

The Annual Meeting of the C. I. R. A. S. and the Indian Conference which were to have taken place in Toronto on May the 14th and 15th have been postponed till September next.

The local committee of arrangements met in Toronto on March 30th, and it was then decided that September being Exhibition month, and travelling rates consequently more reasonable, also Indians being better able to leave their farms at that time than in May, it would be a far better and more convenient time for holding both the Annual Meeting and the Conference.
