the doctors

approve of **Scott's Emulsion**. For whom? For men and women who are weak; for babies and children who are thin, when they should be fat; for all who get no nourishment from their food. Poor blood is starved blood. Consumption and Scrofula never come without this starvation. And nothing is better for starved blood than cod-liver oil. **Scott's Emulsion** is cod-liver oil with the fish-fat taste taken out.
