

TRADE PROMOTION EVENTS

ITALIAN FISH AND SEAFOOD IMPORTS Leading Product Types 1992

Below is a list of the most important food sector trade fairs held in Italy, with brief indication of their dates and size. Also of growing value in penetrating the Italian market is participation in the major European food shows such as ANUGA in Cologne and SIAL in Paris. Italian buyers regularly attend both of these exhibitions, and can be invited to visit the firms exhibiting at the Canadian national stand.
